PLAYER OF THE WEEK

BIRMINGHAM, Ala. – Guards Malcolm Riley (Texas Southern) and Marcus Romain (Mississippi Valley State) have been named Co-Southwestern Athletic Conference Men's Basketball Player of the Week.

Thursday night against Southern Riley scored 21 points including five three pointers. In his season finale at Alcorn State, he made a SWAC season high nine three pointers and scored 36 points to help the Tigers defeat Alcorn State 76-66.

Romain scored a career high 31 points to go along with eight rebounds and 4 assists Saturday night against Arkansas-Pine Bluff. It marked the 11th time this season that he has scored over 20 points. Saturday while hosting Alabama A&M Thomas scored 15 points and handed out 15 assists in 40 minutes of action. Johnson has scored 20-plus points in five of his past seven games as PVAMU is 4-1 in the second half of SWAC play.

The NCAA automatic qualifier shall be the winner of the Conference postseason tournament:

A. If the tournament is won by an NCAA tournament-eligible team, that team gets the AQ. If the tournament is won by a team ineligible for NCAA postseason, the team (among those eligible for the NCAA tournament) that advances the furthest in the SWAC tournament will be the league's AQ. If two or more NCAA tournament-eligible teams are eliminated in the same round of the conference tournament (i.e. the tournament's semifinals), the tie-breaking procedure utilized by the league to seed the championship will break the tie to determine the higher-seeded team as the automatic qualifier. For example, if the SWAC tournament championship game features two teams that are ineligible for the tournament, and both defeated tournament-eligible teams to advance to the final, the tiebreaker would go to the semifinal loser that was the highest-seeded team in the conference tournament.

B. In the event the tournament cannot be played or is not played to completion, the Conference regular champion shall be the automatic qualifier, if the regular season champion is not eligible for the NCAA tournament, the AQ will be awarded to the highest eligible finishing regular season team.

C. In the event of a tie for seeding, the following procedures will be used:

- 1). Two-team ties:
 - a). Head-to Head competition
 - b). Point Differential between the tied teams if the season series is split
 - c). Record against highest seeded team (proceed downward) until the tie is broken
 - d). Coin Toss
- 2). Ties involving three or more teams:
 - a). Record between teams that are tied (Won-Lost-Record)
 - b). If still tied, record against the highest seed & proceed downward
 - c). Coin-Toss
