Akiles AlphaBind-CM

Heavy-Duty Manual Comb Binding System

The AlphaBind-CM, which offers a 12" punch length, is an ideal comb binding system for those who work mainly with letter-size (8.5" x 11") sheets.

FEATURES:

- **Punching Length:** 12" with open throat for longer documents.
- **High-Volume Punch Capacity:** With its unique punching mechanism, you can punch up to 25 sheets of 20 lbs paper per lift.
- **Binding Capacity:** Up to 2".
- **Die Disengagement Pins:** Allows punching of all paper sizes without any partially punched holes.
- **Depth Margin Control:** Adjustable depth margins (4 steps) offers the best margin distance for each book size.
- **Large Waste Compartment:** Easily accessible from the front of the machine.
- **Heavy Duty Design:** All metal construction.
- **Weight:** 41 lbs.
- **1 year warranty.**
