

## Third Annual Speech and Debate Tournament

Zurich International School is pleased to announce the dates for our Third Annual Speech and Debate Tournament: January 11<sup>th</sup> –12<sup>th</sup> 2019

We plan to have both **Parliamentary** and **Public Forum** debates, in addition to **Original Oratory**.

**Parliamentary** resolutions will be announced approximately 25 min before the start of the round. Students will have only that prep time to research and structure their cases.

The current proposed resolution for Public Forum debate is as follows:

*Restrictions to current immigration levels in Western democracies are necessary to preserve cultural and democratic values.*

Registration is limited to a total of 4 debate teams each, in addition to 2 orators, for a maximum of 10 participants. Students may compete in both debate and oratory.
