- Sweepstakes – A sweepstakes trophy for each of the top two finishing schools

Special Awards

The Milo Cup - Sweepstakes:

The Milo Cup will be presented to the team that finishes first in sweepstakes in honor of former Millard North debate coach Scott "Milo" Milliken. Milliken was the coach at MNHS for a stretch of time that covers 3 decades, and under his leadership and tutelage, thousands of students learned, competed, and grew. Milliken retired in 2014, and it is our pleasure to continue to honor his legacy by presenting The Milo Cup as an annual tradition.

The Schlessinger-Schuller Award - Public Forum Top Speaker:

The PF Top Speaker Award is named in honor of Claire Schlessinger and Ygal Schuller, the first Millard North Public Forum squad to qualify to the Tournament of Champions. Schlessinger and Schuller were monumentally important to the long-term existence and stability of the Millard North debate team given that, at a great many tournaments of their era, *they simply were the entire Millard North debate team*. It will be our pleasure to award this trophy in Schlessinger and Schuller's honor for the first year of many to come.

The Burdt Award: Lincoln Douglas Top Speaker

The LD Top Speaker Award is named in honor of Lauren Burdt, without whom Millard North Debate would not have had a NSDA runner-up and a TOC quarterfinalist. Burdt's contribution to our team and students has been monumental from her first moments at practice. When she came aboard, Millard North had never qualified an LD debater to the TOC, and within mere months, that was no longer true. Her skill as a debater is trumped only by her skill as an educator and coach, so it is our pleasure to award this trophy in Burdt's honor.

The Raksin Friend of Debate Award - Coaches/Judges/Volunteers:

The Raksin Award is given to a coach, judge, or volunteer that has dedicated themselves to the advancement of debate in high schools. The award is named in honor of Millard North alumni Alex Raksin and his monumental support for debate and the Millard North squad. Raksin's vision of the life-changing power of debate affirms the essential importance of our activity, and he actively dedicates himself to making debate accessible to as many students as possible.

Judge Coverage

Public Forum and Lincoln Douglas judges are obligated through at least octofinals and then for one round beyond their teams' elimination. If a team's entries are eliminated prior to octofinals, their PF and LD judging obligation would be met following the octofinal debate.

Judges in policy are obligated for one round beyond their teams' elimination, and congressional debate judges are obligated until the congressional debate tournament is completed. Please note that congressional debate judges may be used in pools for other events if they are not being used in congress.

The cost to hire a judge is as follows:

- Policy -- One judge per two entries
(May be hired for \$250)
- Lincoln-Douglas – One judge per two entries
(May be hired for \$250)
- Public Forum – One judge per two entries
(May be hired for \$250)
- Congressional Debate – One judge per six entries or part thereof
(May be hired for \$20 per debater)

Please limit your judge hire requests as there are only a limited number of these judges available. Teams traveling from out of state will have priority on hired judges and may be able to negotiate a lower hired judge fee.

Please note that all judges provided must be qualified to judge in the event for which you're hiring them. Judges need to be experienced judges and/or debaters and must be out of high school.

An important note that all of your judges should be made aware of prior to the tournament: **Judges will also be expected to disclose in round.** If detailed oral comments are warranted, that's fine, but a completed ballot should be given to a runner prior to oral critique. Students, it's also important for you to remember that judges who are uncomfortable disclosing in debates often feel that way due to past negative experiences disclosing decisions. If you want judges to disclose decisions in your debates, treat your judges with respect and do not post-round your judges!

All Lincoln Douglas judges need to have a posted paradigm on Tabroom.

Policy Debate

We will follow the standard format with 8 minutes of prep time. Policy will have five prelims (powered after two) breaking to a TBD elim level (dependent upon entry numbers). We encourage all CX judges to have a paradigm posted on Tabroom by February 12, 2019.

Lincoln-Douglas Debate

We will be using the January/February topic and follow the 6-3-7-3-4-6-3 format with **5 minutes of prep time.** We will have six prelims (powered after two) breaking to all 4-2's. There will be six prelims (powered after two), and all 4-2 records will clear to elimination rounds.

We aim to give each debater judge strikes, so paradigms are an important step to make that functional. All judges must have a paradigm posted on Tabroom by February 12, 2019. Teams with judges that do not have posted paradigms will not have their strikes honored.

Public Forum Debate

We will use the February topic. There will be six prelims (powered after two), and all 4-2 records will clear to elimination rounds. We encourage all PF judges to have a paradigm posted on Tabroom by February 12, 2019.

Congress

Each participating school may submit up to two bills and/or resolutions **by 11:59PM on Friday January 11, 2019** to milocup.debate+congress@gmail.com, using the official templates formatted according to the templates available at www.congressionaldebate.org. Tournament staff will review legislation for pertinent, controversial, and researchable issues, and a docket will be posted to Tabroom by January 19, 2019 (sooner if possible). The docket order as it is posted will be the docket order for the tournament, and debaters will not be permitted to modify the order of the docket.

Each school will be assessed a judging fee of \$120 for each six students. You can alleviate this fee by bringing a judge for each six entries. This fee will be prorated. So, if you bring three students you can pay \$60 or bring a judge. Your judges may only be used for ½ a day in congress, so please indicate which other event they would be willing to judge as well. These judges will all be finished before awards.

More information on policies and procedures (direct-questioning, breaks, etc.) for congressional debate will be posted soon on Tabroom under a Congressional Debate Information tab.

To set up housing for your students, please get ahold of me as soon as you're able to make those arrangements.

We are working on establishing a block rate with a local hotel. If you'd like suggestions on hotels at which you can make reservations in the meantime, please email me. I'll update our Tabroom page when our hotel block information becomes available.
