A

A Bill to Reduce Tuition at all Public Colleges and Universities for Students

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. This legislation will eliminate tuition and fees at four-year public colleges and universities for families making up to \$200,000 before tax and reducing tuition by 50% for families making over \$200,000. While making community college tuition-free for all. This bill will only enable a tuition-free education environment in public colleges and universities until the completion of (1) Certificate, or an Associate or Bachelor's Degree.

SECTION 2. Public colleges and universities are defined as higher education institutions established by either state constitutions or by statute, which receive funding from state and federal appropriations as well as tuition and endowments.

SECTION 3. The US Department of Education and the US Department of the Treasury will work concurrently with state level governments to implement this legislation.

A. This bill shall be funded under addendums to the current block grant spending bills and shall be given an initial amount of 80 Billion USD per fiscal year to be spent on necessary tuition.

B. This budget shall be reassigned from the Department of Defense's procurement and military personnel budget.

SECTION 4. If passed, this legislation will take effect in January 1st, 2020

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

A Bill to Give Incentive for Major Fuel Companies to Create Cleaner Ways of Obtaining Energy

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The United States has been buying fuel such as oil and natural gas from other countries that we have established trade with; causing our debt to increase at an exponential rate. If we cut back on foreign spending we can then focus on a greener way to obtain energy. The government will push major oil companies to find clean, reliable, home created energy.

SECTION 2. The companies affected would be any major fuel company that obtain natural gas or oil from drilling, fracking, or other methods of non-renewable energy source extraction.

SECTION 3. The project will be led by the department of energy. They will grant the first organization who finds a clean, sustainable energy source that can be produced in the United States, the rights to their findings for the following 10 years.

SECTION 4. This bill will go into effect in June of 2019.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Support Ukraine's Entry into NATO

Whereas, Ukraine's Verkhovna Rada, on June 8th, 2017, passed a law making NATO integration a foreign policy priority; and

Whereas, The Kremlin has organized, led, funded, armed, and otherwise supported violent separatism in Eastern Ukraine of a kind that Russia itself would never tolerate on the soil of one of its allies; and

Whereas, A sovereign, independent, and stable Ukraine, firmly committed to democracy and the rule of law, is key to Euro-Atlantic security; and

Whereas, A poll by the Democratic Initiatives Foundation in June 2017 found that about 70% of Ukrainians favor joining the alliance; now, therefore be it

Resolved, That the Congress here assembled make the following recommendation to advocate for Ukraine's admittance into the North Atlantic Treaty Organization.

A Resolution to Repeal the “Protecting Life in Global Health Assistance” Policy

WHEREAS, the “Protecting Life in Global Health Assistance” Policy (PLGHA)—an expansion of the former “Mexico City Policy,” currently heavily restricts “global health assistance to, or implemented by, Foreign Non-Governmental Organizations (NGOs)”;

WHEREAS, this policy forces NGOs connected to family planning, reproductive health, maternal health, child health, nutrition, HIV/AIDS, water, sanitation, hygiene, tuberculosis, malaria, infectious diseases, and tropical diseases to follow specified restrictions placed and outlined by the US; and

WHEREAS, this often leads to NGOs refusing funding from the US in order to provide sufficient aid and assistance to those in need; and

WHEREAS, this further results in unhealthy and unsustainable environments in areas where NGOs are not able to comply with the policy’s restrictions or in areas where NGOs have no desire to abide with the restrictions because of their unattainable nature; now, therefore, be it,

RESOLVED, By the Congress here assembled that the PLGHA Policy shall be repealed, along with any previous or future policies that have similar intents or follow similar restrictions.
