

# Greater Metro Conference tournament

February 16, 2019 Wauwatosa East High School

## Registration

Registrations will be made using [gmc.tabroom.com](http://gmc.tabroom.com) beginning January 28. No registrations will be accepted after Tuesday, February 12, 2019. After this, I will permit changes in your original roster wherever possible. Please contact me as early as possible with changes. You may enter up to 4 entries per category with a total team maximum of 25.

## Rounds

We will have **three** preliminary rounds in all events. Registration will begin at 7:30. Round 1 will begin at 8:30 (extemp/radio draw at 8:00). Power rounds will begin at approximately 1:00. Awards will follow immediately after the power rounds.

## Awards

Medals will be presented to the top 3 finishers in each category. An engraved conference bar will be presented to the top teams in overall sweepstakes and team quality points.

## Rules

We will follow the WFCA rules.

## Judges

You must provide one qualified judge for every **5** entries or fraction thereof, preferably people who do not know your participants. Consider using judges from schools outside the conference--contact those coaches to see if they have "clean" judges you could hire. This is a small tournament, so judge placement is more difficult. Please be certain that your judges are familiar with the rules. Schools of judges who miss a round will be fined \$50 per incident. Head coaches may not judge; they will be in the tab room throughout the tournament.

## Fees

There are no entry fees.

## Food

Some sort of lunch will be available as well as the usual concessions during the day.

## Tournament Day

**Text no later than 7:15 to confirm you are on the way AND to report any drops. 414-688-9730.**
