PO Break to Final and Semi-final houses based on ballot count. Final places on win/loss in round 3 and total ballot count.

Notes:

League rules set the final and semi-final houses at fourteen competitors.

Clean break to the final house at cume score of 31.

Clean break to semi-final house at 42.

There are "ghost judge" scores of 20_{pts} added to account for the additional judges in the finals house.

This also allows the tabulation program to properly rank (in most cases) all competitors
