

**A RESOLUTION TO PURCHASE GREENLAND TO
EXPAND AMERICAN INFLUENCE**

WHEREAS, American influence is rapidly declining; and

WHEREAS, Purchasing Greenland would flex American power; and let it be

RESOLVED, That the Student Congress here assembled make the following recommendation
for the purchase of Greenland by the United States.

**A RESOLUTION TO SUPPORT THE PROTESTERS OF HONG KONG TO
PROMOTE HUMAN RIGHTS**

WHEREAS, The Human rights violations committed by China on the people of Hongkong have led to massive civil unrest; and

WHEREAS, Hong Kong is a major economic player in foreign trade; and

WHEREAS, The legislation passed in July of 2019 failed to stop human rights violations in Hong Kong and further action is needed; and

WHEREAS, Setting a precedent would allow for companies such as the NBA and Apple within the US to not “bend their Knee” to China, be it

RESOLVED, That the Student Congress here assembled make the following recommendations for further support of the protesters in Hong Kong by placing more economic sanctions on China.

**A RESOLUTION TO INTERVENE IN VENEZUELA TO
STABILIZE THE SOUTH AMERICAN ECONOMY**

WHEREAS, President Nicholas Maduro's abuse of power and human rights violations have stunted the Venezuelan oil market; and

WHEREAS, Venezuela is the largest exporter of crude oil in South America. US Military intervention could stabilize the region; and

WHEREAS, The power vacuum created by political instability has allowed for Russian intervention and influence; and

WHEREAS, It is in the United State's best interest to stabilize the region through "boots on the ground" force; now, therefore, be it

RESOLVED, That the Student Congress here assembled make the following recommendation for military force to be authorized in venezuela.
