January 10, 2020

Dear Colleagues:

On behalf of the Fairview High School Forensics Team, we extend an invitation to you and your students for the CFL of Erie League Tournament to be held on **Wednesday, January 22, 2020** at Fairview High School.

We will meet and register in the auditorium between 3:15 - 3:45 in the hopes of starting Policy at 3:45 and everything else at 4:00. Please use the North parking lot entrance (the side that does **not** have the tennis courts) since the cafeteria and auditorium are right inside those doors. We will also use the auditorium for opening and closing meetings. The registration form can be found at <https://www.tabroom.com>

Judging quotas are:

Speech:	1 for every 5 contestants or fraction thereof
Congress:	1 for every 10 competitors or fraction thereof
Debate:	1 for every 2 entries or fraction thereof

The training workshop for new Speech judges will take place during the first round. Please provide capable judges in addition to the new ones you wish to have trained.

Also, **we will use tabroom.com for online balloting!** Please be sure your judges have tabroom.com accounts as well as access to a smart phone (which is OK but not great), a tablet (which is much better) or a laptop (which is best). If needed, we will offer a tutorial during the judges meeting.

Note regarding refreshments: The Fairview Music Boosters organization, who operates the concession stand during indoor sporting events, has agreed to open up at approximately 3:30 for our tournament even though there is no sporting event taking place. They will sell hot dogs, pretzel sandwiches, drinks and snacks. We'd prefer food not be taken out of the cafeteria or into the auditorium. Please ask your students to be very careful with their food.

All registration needs to be submitted on <https://www.tabroom.com> by Tuesday, January 21 at 3:00 p.m. We will not be able to accept adds after this deadline. However we will accept replacements for students who have dropped. For drops the day of the tournament, please call 1-814-392-4524.

Sincerely,  
Alysabeth Mahood, Robert Hall
