Nuts and Bolts

- Initial entry limit of 4 per event: add students to the waitlist and we will accommodate them as we build the schedule
- \$10 per individual entry; \$20 per team; same-school students may hit each other.
- Students may only double enter across waves. Students may not double enter in CX and LD.
- Coaches should stay in close touch with the tab room so we can easily find you. Tab will be in the library, so please feel free to hang out there.
- Please bring judges. We will charge any school who comes without one designated judge a \$20.00 judging fee. We ask that coaches be willing to judge two rounds (bring judges and this becomes less likely.)
- We will run a digital tournament on Tabrom so please bring laptops. Please also instruct your judges to do the same.
- We will pay community-member judges \$10.00 per round.
- We will supply breakfast, lunch, and snacks for judges and coaches. Student competitors should plan to buy food from our concessions as the school is in the middle of a large field and fast food is not nearby.
