BROOKFIELD CENTRAL
GREATER METRO CONFERENCE
FEBRUARY 15, 2020

REGISTRATION:

Registrations will be made using bcgmc.tabroom.com beginning January 27. No registrations will be accepted after Tuesday, February 11, 2020. After this, I will permit changes in your original roster wherever possible. Please contact me as early as possible with changes. You may enter up to 4 entries per category with a total team maximum of 25.

ROUNDS:

We will have three preliminary rounds in all events. Registration will begin at 7:30. Round 1 will begin at 8:30 (extemp/radio draw at 8:00). Power rounds will begin at approximately 1:00. Awards will follow immediately after the power rounds.

AWARDS:

Medals will be presented to the top 3 finishers in each category. An engraved conference bar will be presented to the top teams in overall sweepstakes and team quality points.

JUDGES

You must provide one qualified judge for every 5 entries or fraction thereof, preferably people who do not know your participants. Consider using judges from schools outside the conference--contact those coaches to see if they have "clean" judges you could hire. This is a small tournament, so judge placement is more difficult. Please be certain that your judges are familiar with the rules. Schools of judges who miss a round will be fined $50 per incident. Head coaches may not judge; they will be in the tab room throughout the tournament.

FOOD:

Lunch and concessions will be available during the day.

TOURNAMENT DAY:

Text no later than 7:15 to confirm you are on the way AND to report any drops. 414-755-9302.
