Metropolitan Championship Tournament Qualifiers

2019-2020

Competitors with an asterisk qualified with double 3-1 records; all others qualified outright through Placing, a 4-0 record, or as an Additional Qualifier. Remember that Wild Cards apply to only competitors registered for WACFL 4 and the "two" Wild Cards refer to two individual competitors, not teams of two. Competitors qualify individually for Metros, so partnerships can be rearranged.

Questions regarding qualifications must come only from coaches and should be directed to Jim Dunning at pfvp@wacfl.org. Congratulations.

Metropolitan Championship Tournament Qualifiers

2019-2020

Competitors with an asterisk qualified with double 3-1 records; all others qualified outright through Placing, a 4-0 record, or as an Additional Qualifier. Be aware that unlike Varsity, competitors in Junior Varsity do not compete by diocese — they are combined. Remember that Wild Cards apply to only competitors registered for WACFL 4 and the "two" Wild Cards refer to two individual competitors, not teams of two. Competitors qualify individually for Metros, so partnerships can be rearranged.

Questions regarding qualifications must come only from coaches and should be directed to Jim Dunning at pfvp@wacfl.org. Congratulations.
