On behalf of the Georgetown Debate team, we would like to invite you to participate in the upcoming Georgetown Debate Public Forum Debate Tournament that will be held in partnership with the National Speech & Debate Association of Vancouver (NSDA Vancouver) and BL Debate in Vancouver on March 7th & 8th, 2020.

BL Debate now operates the NSDA Vancouver tournament and will lead Canadian teams to the US National tournament in 2020.

The Georgetown tournament will be directed by Stefan Bauschard, Georgetown Debate's Director of Public Forum workshops and tournaments.

We look forward to working with BL Debate and NSDA Vancouver to help Canadian debaters at future Georgetown workshops, tournaments, and in any other ways we can help support your competitive achievements and academic growth.
