

# KCKSCFL Single Entry Letter of Intent

Student: \_\_\_\_\_

School: \_\_\_\_\_

Students may enter only one event at the National Tournament. Any student entered in multiple events at the KCKSCFL district tournament must indicate, prior to competing, what event he or she intends to enter at nationals in the event of double qualification. Failure to complete this form prior to tournament entry may result in ineligibility to qualify for the national tournament.

Policy debate qualifiers are always obligated to enter policy debate and may not qualify in other events by dropping their debate eligibility. Duo and PFD competitors may only defer qualification in those events in favor of another if BOTH members of the partnership qualify in another event and list it as preferred.

The above-listed student officially and irrevocably designates the following list of event preferences in the event of multiple qualification:

FIRST CHOICE: \_\_\_\_\_

SECOND CHOICE: \_\_\_\_\_

THIRD CHOICE: \_\_\_\_\_

We, the student and coach, and principal, accept the choice(s) designated:
