

## Welcome to Saturday Mini Debate Tournament at BCFL!

Our academy did mini debates using paper ballots and excel sheets. However, we managed to create our own circuit and tournament on Tabroom. Therefore, everyone needs think of mini debate as an actual tournament. **You cannot drop on the day of the tournament (there's drop fee of \$20).**

Judges: Host your meeting on freeconferencecall at 9:15 PM. This way, we can figure out any problem that you may have. Debaters will join your meeting, and once all the debaters are present in the room, press "start" on your tabroom account. This way, I know that you started the round and you will get a ballot.

Debaters: Look at the pairing posted on the tournament. Check your pairing and click on the the map beside your judge's name. This will lead to your debate room. You do not need to make an account for freeconferencecall. Make sure to enter the room with your *full name*. You do not need to make an account. Tell the judge any information they request from you. Send the judge your case, so they don't miss any of your arguments.
