OUTAGE ANNOUNCEMENT
July 6th @ 3:30 PM CDT Update

Tournament staff are having issues with Tabroom.com at this time, specifically editing the tournament website and judging pools. Our technology team has determined that this outage does not affect registration processes for competitors and judges.

Thus, please excuse the outdated links/information on the website, as we are having difficulty updating it. You can find the updated Discord server link HERE.

Once again, we apologize for this outage, and we hope to see you soon!
