

Greetings!

We would like to welcome you to the Lake Travis Cavalier Classic vIQT. The tournament will take place online through Classrooms.Cloud and Tabroom, Friday, September 18th thru Saturday, September 19th. **With the exception of IEs asynchronous rounds that are due by Wednesday at midnight.**

We will offer the full set of events in IEs and Debate (including World Schools), including novice divisions of extemp, LD, and Policy Debate. For the purpose of this tournament, a Novice is considered someone in their first year of high school competition. We also offer scaffolded Novice Extemp and require the NDCA Novice CX Packet for all of our novice CX rounds.

Your school must have an adult sponsor/judge to be available for all tournament times/rounds to judge and provide support for the tournament when needed. This individual is required to be either judging rounds or in the designated Judge/Coach lounge room in Classrooms.Cloud.

We look forward to providing an exciting educational experience for all.

Sincerely,

David Brown

Lake Travis HS Debate
