

NYPDL October Parliamentary Debate Invitational

Dear Parliamentary Debate Leader,

On behalf of the New York Parliamentary Debate League, we invite you and your debate team to the New York Parliamentary Debate League October Online Invitational. Our online tournaments this year will take place on a platform called Discord, so all debaters and judges must set up a free account at [this link](#). Before the tournament, all registered debaters, judges, and coaches will receive a link to a Discord server where GA and all debate rounds will take place.

The New York Parliamentary Debate League was founded in 2016 as a student-run organization dedicated to fostering open and respectful discourse concerning modern day issues in the Parliamentary Debate style. For more information, please visit our [website](#).

You can register for this tournament through Tabroom. Please visit our [schedule page](#) for links to each tournament's Tabroom page.

Rules

This tournament will be held in the format established by the American Parliamentary Debate Association (APDA). We will release three resolutions 15 minutes prior to the start of each round. The resolution and side will be determined by coin toss. Team Size

We encourage teams to consist of two debaters from the same school. However, we allow debaters to compete alone or compete with a debater from another school.

Judging Obligations

Each team is required to bring one judge for every two teams, rounded unfavorably — if you are bringing three teams, you must bring two judges. **Judges must be present for all preliminary rounds and the round after their last team has been eliminated from the break.** While experienced judges are preferred, judge training will be available. **If you are unable to meet the judge requirement we reserve the right to break up an entry into two judges.** If you are interested in hired judges please contact us at nyparli@gmail.com.

Fees and Dropped Entries

There is no registration cost for this tournament. We reserve the right to cap the entries of schools who drop entries two days before the tournament.
