

## Cupid Shot me in my After School Congress

2021 Loveland Speech and Debate Tournament

Need to get students enough NSDA points to qualify for the district qualification tournaments? Have students that want to get to the next NSDA honor society level? Need to get your students to practice for the qualification season? With the rare alignment of our town and school name, a national holiday, and my student's strange and slightly unhealthy attraction to Congressional Debate, we warmly welcome you to our third annual after school student congress on February 17th, 2021.

### REGISTRATION:

Tabroom will be open for online registration on January 17th. New entries and registration are due on February 11th at 5 pm on the [cupidasc.tabroom.com](http://cupidasc.tabroom.com) web site. A coach or adult responsible for the team must be onsite during the tournament.

### CHAMBERS:

We will create as many chambers as required due to the number of registrants and will aim for an average of 12 students. Awards will be presented to PO, Outstanding Speaker, and Superior Speaker in each chamber. No impeaching the PO, no walk on legislation, and no amendments.

### Two events! Congressional Debate and Character Congress

For our speech event students that have been left out of traditional congress, we offer a new event we discovered from our friends in Utah this year. Students will be provided with a choice of three characters. Once they choose, speakers will be evaluated on how well they embody and maintain their selected character in their speeches, questions, and motions.

**LOCATION:** Online due to our alone together time - Zoom for chambers.

We look forward to your participation in our tournament!

Make checks payable to Loveland High School.
