Judges MUST be in their judge pooling rooms at judge call time and remain there until called to a round or 15 minutes after the scheduled round time, whichever is first. Judges with assignments should sign into the NSDA Campus room **and** open their electronic ballot ASAP.

Congress sessions are 90 minutes, including PO election, special orders, and recesses.

Allotted times for ballot completion:

- LD and PFD – 55 minutes
- Extemp – 1 hour
- Speech – 1 hour and 20 minutes
- Congress and Policy – 1 hour and 40 minutes

Judges should write their comments on the electronic ballot during the round. After the round it should only be necessary to enter decisions/ranks and RFDs.
