Extemp

Please select one topic. Do not film prep time. Film and upload only speaking time. Students may use one 3x5 index card only for their speech.

Topics: (Choose 1)

- Should there be a mandatory retirement age for political officials?
- Can public education return to “normal” after the COVID 19 epidemic?
- Other than climate change, what environmental challenges should the U.S. focus on addressing?

Impromptu

Please select one topic on which to do your speech and film the entire 10 minutes (prep and speaking time). Remember you must speak for at least 3 minutes.

Quotes: (Choose 1)

- “My parents encouraged thought. You’ll get through life better if you learn how to think.” (Holly Near)
- “Science is the key to our future, and if you don’t believe in science, then you’re holding everybody back.” (Bill Nye)

Improv Duo

Students are to film their prep time AND their performance time. Prep time is five minutes and the time limit for the performance is six minutes. During the performance, we should be able to see both students in the frame, though they may step out for a moment as needed. They may NOT be in the same room when filming for fairness/safety’s sake. They may have a timer or time themselves. (This will follow the KHSSL rules for Round 2 & finals where the line should be worked into the scene.)

Topics: (Choose 1)

- “Don’t Eat the Yellow Snow!”
- “I wish I had never said it.”
