

LIMITED PREP TOPICS

BLYTON INVITATIONAL

BROADCASTING:

None. Students are using the scripts required for a “normal” Round 2. See Rules for Round 2.

EXTEMPORANEOUS SPEAKING:

Students should choose one of the three questions below and prepare for 30 minutes before speaking. They may have a timer or time themselves. They do NOT need to film prep time.

1. *Is it time for a two-week national shutdown to contain COVID-19?*
2. *Should student loan debt be erased to stimulate the economy?*
3. *What steps should the next Administration take to address global warming?*

IMPROMPTU SPEAKING:

Students are instructed to film their preparation time as well as their speaking time. They may choose either of these quotations. They may have a timer or time themselves.

"There is no way to be a perfect mother, and a million ways to be a good one." — Jill Churchill

"Home is a name; it is a word. It is a strong one." - Charles Dickens

IMPROVISATIONAL DUO:

Note: this may be a different set of instructions from other tournaments. We are seeing what works best.

Students are to film their prep time AND their performance time. Students may communicate in prep time on their shared Zoom or Google Meet call or by telephone call. In performance, we should be able to see both students in the frame, though they may step out for a moment as needed. They may NOT be in the same room when filming for fairness/safety's sake. They may have a timer or time themselves.

This is a Round 2 / Quarters / Finals -style prompt.
