

# The Philhistorian Middle School and High School Invitational 2020-21

Dear Colleagues:

La Reina High School and Middle School Speech and Debate cordially invites you and your team to attend The Philhistorian Invitational, held on the weekend of **March 27th-28th, 2021**. This tournament will be held on the **NSDA Campus platform**.

Started in 1863 the Philhistorian Debating Society is the oldest such group in California. Its past members included numerous judges, educators and politicians and at least one California governor. Originally a mock Congressional activity it morphed in later years into traditional Oxford style debate and helped found the Pacific Forensic League and the Northern California Forensic Association in the 1960's.

#### **Student Double Entry**

Congressional Debate will be treated as a Speech event for the purposes of Double Entry.

Students are able to enter in one Debate event and up to 2 Speech events with the following exceptions:

Students who enter in Congressional Debate cannot enter a speech event, but may still register for another Debate event.

Students who enter Extemp can only do Extemp during the Speech pattern, but may still register for a Debate event.

Middle school students who register for Debate and two Speech events can additionally register for Middle School SPAR provided they do not advance in Debate.

Elementary school students can double enter in Elementary SPAR and Elementary Impromptu.

### **Judging Information**

#### **Judging Coverage Ratios**

Each Judge covers up to 2 entries in Debate.

Each Judge covers up to 5 entries in Speech.

Each Judge covers up to 6 entries in Congress.

Each school entering in Congressional Debate will also be asked to provide one additional judge to serve as a Parliamentarian/PO. (Please See Congress Event-Specific Information)

## Judge Qualifications and Expectations

All judges are required to have a linked Tabroom account. This is to ensure they have access to both their ballots and the competition rooms on the NSDA Campus platform.

Judges covering high school competitors must be over the age of 18 and have graduated from high school.

Judges for Middle School events may be current high school juniors or seniors with significant forensics experience.

Judges should have significant experience with digital forensics competitions. Schools are responsible for preparing their judges in the use of Tabroom.com and for what to expect in a digital forensics competition. As a result, there will be no day-of-tournament judge training. Rather we encourage the use of the following resources ahead of the tournament to become prepared:

We encourage all judges to review the NSDA Cultural Competency resources ([www.speechanddebate.org/judge-training/](http://www.speechanddebate.org/judge-training/)) and take the course. If you have newer judges, we strongly recommend the Adjudicating Speech and Debate course available via the NSDA ([www.speechanddebate.org/judge-training/](http://www.speechanddebate.org/judge-training/)).

Finally, we expect all judges to act in a manner that is inclusive, equitable, and offers constructive criticism to the competitors, regardless of their background or experience.

## Elimination Round Obligations

**All Debate judges are committed to judge one round beyond when the last student from that school/institution is eliminated from competition in that division.**

This means that if you have 3 PF judges and one of your PF entries advances to the Quarterfinal round, ALL 3 judges are committed to judge the Semifinal round.

**All judges are obligated through the first complete elimination round.**

For example, if the tournament runs a partial octofinal debate all judges are obligated through the quarterfinal elimination round.

**All Speech judges are committed to the Final round, and all Congress judges are committed through the Final round.**

## Partial Judge Shifts and Availability

The tournament's intention is that judges are available for a minimum of a full day.

You can adjust the day availability of your judge by first entering your judge, and then clicking on "All Rounds" under your judge's "Availability" section.

If you have judges with partial availability please be sure to have another judge that can fill in for the other day. We can also accommodate partial day judge shifts if requested in advance.

Please email these requests to [cjb670@nyu.edu](mailto:cjb670@nyu.edu).

Missed rounds will incur fees as we have to replace those judges with hired judges or school judges beyond their commitment. Missed round fees will be \$30 per ballot.

## Judge Double Entry

Judges can cover the Debate pattern, and may also be entered to cover Speech OR Congress events.

If you wish to double-enter a judge, you can do so by dropping them and registering them first as a Speech judge. Then they can be added to cover a Debate category. The order in which the judge is entered matters to Tabroom.com.

Please do not register judges in both Speech and Congress as the rounds occur at the same times.

If you have a unique situation and wish to request a judge to cover one entry in each of two conflicting groups, please contact the tournament.

Accommodations can often be made if requested in advance and will be handled on a case-by-case basis.

## Hired Judging

### Hired Judging Process

School's that wish to buy out their judging requirement can do so at a rate of \$125 per entry in Debate events, or \$125 per judge in Speech / Policy / Congress events. This fee covers the cost of hiring a judge to fill that role for the weekend.

If you need tournament hired judging, please notify the tournament so that we can begin the process of retaining a judge for the weekend. You can do so either by using the hire request feature on Tabroom.com or by emailing [cjb670@nyu.edu](mailto:cjb670@nyu.edu).

Missing judges are not an indication of a hired judging request and will be charged at a higher rate of \$150. This is the default rate on Tabroom when no hire request is made and no judge is entered. Tabroom will reflect the correct rate for hired judging after hired judging requests are made and approved.

## Hired Judging Deadline

The deadline to request hired judging from the tournament is Wednesday, March 17th at 6:00 PM PDT. Requests made after the deadline do not have a guarantee of being filled and will be charged a higher rate of \$150.

## Judges Wishing to be Hired

If you wish to be a hired judge for the Philhistorian Middle School and High School Invitational, please fill out the Google Form: (<https://forms.gle/EHjtgsdFDZUomxLU6>).

We will be requiring every judge we hire to complete the NFHS Protecting Students from Abuse training course prior to the tournament:

(<https://nfhslearn.com/courses/protecting-students-from-abuse>). Please email the completed certificate to Cori Blackwood ([cjb670@nyu.edu](mailto:cjb670@nyu.edu)).

We also strongly recommend the NSDA Cultural Competency Course. You can access each of these courses via the NSDA Judge Training Webpage: ([www.speechanddebate.org/judge-training/](http://www.speechanddebate.org/judge-training/)).

Speeches will be three minutes in length, followed by a two minute cross examination from the floor. Speaking order and question precedence will be determined by the Presiding Officer.

### Presiding Officers / Parliamentarians

Each school will be asked to provide one Presiding Officer/Parliamentarian to conduct Congressional Debate rounds. This is in addition to the judging requirement of one judge per 6 entries.

Presiding Officers can be current high school competitors with significant Congressional Debate experience.

You can register your PO/Parliamentarian on Tabroom.com as a Congress judge, and check the "Qualified Parliamentarian" box when entering them.

Schools who have difficulty locating a qualified Parliamentary/Presiding Officer can buy out of this obligation for the same rate as one hired judge for Congressional Debate.

## Extemp:

Extemp prep will start 30 minutes before the extemp round begins.

## Impromptu:

### Topic Distribution

Impromptu topics will be emailed to judges 15 minutes before a round is scheduled to begin.

## Spontaneous Argument (SPAR):

### Side Assignments

Spar will be paneled similar to a Speech event with sections of 6 competitors per room.

Odd numbered competitors will be Pro and Even numbered competitors will be Con.

### Topic / Resolution Process

Judges will receive topics via email 15 minutes before a round is scheduled to begin. Each competitor will debate one other competitor about one topic. Each pair will be given 3 topics/resolutions by the judge.

The Pro will strike one resolution and then the Con will strike one of the two remaining topics, leaving the pair with one final topic for debate.

### Vocabulary and Definitions

Please keep in mind that our competitors are young. Judges may provide definitions of words in the topics.

### Format and Procedure

After topic selection, a pair of competitors will have two minutes to prepare their arguments before speaking will commence.

The Pro speaker will give a two-minute constructive speech in favor of the resolution; immediately after that speech, the Con speaker will give a two-minute constructive speech.

Following the constructives, there will be a four-minute open crossfire.

The debaters should question each other, and should be prepared to take at least a few questions from the audience of other competitors. The competitors should ask these questions (i.e. not the judge). Any other SPAR competitors listed to speak in that round are permitted to ask crossfire questions (judges and other spectators are not permitted to ask questions).

Two rebuttal speeches of the Pro followed by the Con complete the round.

There is no preparation time during the debate.

### Time Limits

Prep Time	2 minutes
Pro Constructive	2 minutes
Con Constructive	2 minutes
Open Crossfire	4 minutes
Pro Rebuttal	2 minutes
Con Rebuttal	2 minutes

### Scoring / Ranking

At the end of the debate, judges will rank the speakers from 1 to 6.

SPAR competitors should be judged on the basis of overall wit, persuasion and quality argument construction.

## Procedure for Imbalanced Sections

If there are an odd number of competitors (5), Competitor 1 will debate again on the opposite side against Competitor 5. Please disregard the second performance from Competitor 1 in selecting your rankings, but please include comments and feedback for the second debate.

### Example 6 person round:

Competitor 1 will debate Competitor 2. Competitor 1 will be Pro  
Competitor 3 will debate Competitor 4. Competitor 3 will be Pro  
Competitor 5 will debate Competitor 6. Competitor 5 will be Pro

### Example 5 person round:

Competitor 1 will debate Competitor 2. Competitor 1 will be Pro  
Competitor 3 will debate Competitor 4. Competitor 3 will be Pro  
Competitor 5 will debate Competitor 1. Competitor 5 will be Pro

## Observer Policy

### Coach Viewing

We will permit one coach from each school to be added to the backend of the tournament with limited access so they can enter and observe competition rounds.

We feel this will help you locate your students more efficiently and would help teams to troubleshoot potential tech issues.

This is a privilege. Under no circumstances is a coach to watch a round their competitor is not competing in. It can be revoked if we find out this has been violated.

## Equity and Disputes

If, at any point in time, during the tournament there is a concern regarding equity or a dispute regarding a tournament procedure, we are requiring the individuals to fill out a google form so they can be contacted by the Ombudsperson and Equity Officer. The equity form will be located on our tournament tabroom page. The decisions of the Equity Officer / Ombudsperson are final.
