

Invitation to Attend the Wilcox Debate Invitational!

Wilcox Speech & Debate

**Bay Area JV Novice
Invitational**

April 2nd - 4th, 2021

Hello!

Wilcox High School is thrilled to announce that we will be hosting the
Bay Area JV Novice Speech & Debate Invitational
tournament during the weekend of **April 2nd - 4th, 2021** (Friday to
Sunday). We are pleased to invite your school to our virtual debate
competition this spring!

Registration for the tournament is now open on our [tabroom](#) page and will
close on March 29th.

We will be offering competition in **three debate events**: Public Forum, Lincoln Douglas, and Parliamentary debate. We will also be offering **four speech events**: Interpretation, Oratory, Extemporaneous, and Impromptu. The full details as well as a tentative schedule is posted on our tabroom page.

This tournament is intended to be a **JV/Novice competition**. Students that are eligible include middle school students and first year debaters in high school. This will be an excellent competition for students with minimal experience, and for those who want to jump into debate.

Additionally, while this tournament is labelled “Bay Area”, students regardless of location, from all across California, are welcome to register!

We will be providing a **10% early bird registration discount**, which will be applied to all schools that register before Friday, March 12th. We will also provide free tournament swag (including t-shirts) to all competitors.

This will be a unique opportunity for novice and JV debaters to come together and compete in a tournament, hosted by award winning, current varsity debaters. We are also working on an exciting workshop and a keynote program to host at the tournament, centered around **debate and public service**. We believe that the skills that we learn from debate are not restricted to the competitive space, but rather intended to equip young leaders with the tools they need to strike positive change in our society. Stay tuned for more information!

We hope to host you and your squads this April! We would really appreciate it if you could forward this information to your debate program, English and history teachers, and the students and parents who may benefit from this event.

If you have any questions, feel free to reach out to us at wilcoxdebateinvitational@gmail.com.

Best Regards,
-Ahmad Ismail
