

TRI-VALLEY LEAGUE FORENSICS

DEAR FORENSIC COACH,

You and your team are cordially invited to the Tri-valley League forensics. This is an all asynchronous tournament that will follow the schedule below:

TVL SCHEDULE

March 1 Registration opens

March 24 -- Final day to add new entries

March 25 -- Last day to upload videos of entries and judge information

March 26 - 29 -- prelims judged

March 29 -- Finals reported -- pm

March 29 - 30 -- Upload new videos for finals IF YOU WANT TO

April 31 - 3 -- Finals judged

April 3 pm -- Awards announced

We will have two preliminary rounds and 1 final.

We will have the following events: Extemp, OO, Informative Speaking, SSA/DI, HSA/HI, Duet Acting/Duo, IDA, Impromptu, Prose, POI, Poetry, and one-act. All KSHSAA rules apply.

Each school may enter 15 IEs in any combination **plus a one-act play**. Only your top 12 entries will count towards sweeps. The one-act play can count as one of the 12 towards sweeps. If events fall short of the number needed to qualify kids for state, schools are welcome to add entries above the 15 minimum.

Schools are responsible for sending 20 IDA topics in each category (people, places, situations) to me. Please don't use famous people or fictional characters for your people. Each school needs to send at least 10 Extemp topics as well as topics for impromptu.

Each school is required to bring judges based on the number of entries they submit. Here are the requirements

- 1-8 entries = 1 judge
- 9-16 entries = 2 judges

Tabulation will be cumulative for the tournament. In the event we are short finals judges, number on the panel will be adjusted accordingly.

Sincerely,

Cindy Henry
