Hello everyone,

If you are receiving this message, you are more likely than not in Montgomery County, Maryland, right now, but if not, Hi regardless. Before TOC, there are always many tournaments with insane entry fees and sometimes less than ideal judging. Katheryne from Whitman and I decided that hosting a Round Robin before TOC for DMV debaters would help provide great practice before the championship in April.

**Thus, we're delighted to extend an invitation to the Cathedral Classic RR to the following schools:**

Bethesda Chevy Chase High School  
Blacksburg High School  
Cosby High School  
Winston Churchill High School  
Walt Whitman High School  
National Cathedral School  
Sidwell Friends School  
Richard Montgomery High School  
Thomas S. Wootton High School  
Montgomery Blair High School  
Oakton High School

**Any team from these schools that has an entry in any division of the TOC this year is qualified to compete! If we get more sign-ups than we expected, we will turn the RR pools into the standard prelim structure.**

We will release a formal schedule if there is interest in competition, so if everyone could email me back by 03/10 whether or not they are interested, it would be a significant help.

For more information:

The Cathedral Classic Round Robin is an invite-only round-robin (solely for DMV debaters) hosted over Zoom from March 27th-28th! We will have two divisions of Public Forum to mirror TOC.

The Gold Public Forum RR is for teams competing in Gold PF at this year's Tournament of Champions.

The Silver Public Forum RR is for teams competing in Silver PF at this year's Tournament of Champions.\*

\*All at-large applicants to GTOC will be in the silver pool pending any changes in their division status-- all accepted at-larges will be moved over into the gold pool!

You can register using this Tabroom link: [https://www.tabroom.com/index/tourn/index.mhtml?tourn\\_id=19964](https://www.tabroom.com/index/tourn/index.mhtml?tourn_id=19964)

Judging: For every two entries (or fraction thereof), each team is obligated to bring one judge (must be in college or older, preferably with experience)  
I will also be finding judges to help ease the burden on teams  
Cost: Absolutely Free-- there are no entry fees.

Location: As of now, this tournament will take place over Zoom. If anything changes, I will update everybody!

Sincerely- Sarang
