How the Tournament Will Work:

At the beginning of the day, all extempers will join the prep room zoom. There they will be sorted into/will choose breakout rooms according to speaker number, and will get the questions to begin prep.

Once prep is finished, extempers will leave the prep room zoom and head to the tournament room zoom. From there, they will be able to pick their breakout room based on the rooms in the Tabroom schematics, and speak. Once finished, return to the prep room.

Thanks, and hope you all have a great tournament!!
