Dear Coach:

You and your forensics squad are cordially invited to the Proba Te Dignum Last Chance Qualifier! Our tournament will be held virtually and asynchronously. Tabulation will be done via Tabroom.com. In the interest of full disclosure, Wichita Collegiate Forensics students will be competing at our tournament. We have placed strikes on our judges, so that no Wichita Collegiate judge will adjudicate one of our own student competitors.

**Asynchronous Events (One video good for ALL ROUNDS):**

For **asynchronous events**, a student may enter as many events as they so choose (differs from KSHSAA!) Videos will be due by Monday, April 5, 2021 at **4:30 PM**. These events will be judged by Thursday, April 8, 2021 at 5 PM. Finals will be completed by 8 PM on April 9, 2021.

**Schools will be limited to 6 entries per event, with all entries waitlisted. No sweepstakes.**

**Please don't hesitate to contact me with questions or concerns. We look forward to "seeing" you!**

**FEES:**

***Fees will be \$6 per entry. Checks made payable to Wichita Collegiate School, Attn: Rob Egan, 1221 N. Webb Rd. Wichita, KS 67206.***

**Notes:**

We will follow NSDA and KSHSAA rules except where indicated. Each school will be asked to bring 2 judges and that judge must be available throughout the week even if your school's entries are eliminated from further competition. Judging assignments may be split as appropriate. All judges must have linked Tabroom accounts and should be trained on how to use online ballots.
