Greetings!

We would like to welcome you to the Lake Travis Cavalier Classic TFA IQT. This year we are again a NIETOC Qualifier (based on entry events).

The tournament will take place IN PERSON, September 18th, 2021. This is a ONE DAY tournament. **We plan to socially distance and strongly encourage mask wearing.**

We will offer the full set of events in IEs and Debate (including World Schools), including novice divisions of Extemp, LD, and Policy Debate. For the purpose of this tournament, a Novice is considered someone in their first year of high school competition. We require the NDCA Novice CX Packet for all of our novice CX rounds.

**Congress Debate will use the TFA Docket posted on Tabroom.**

**Prelims 11-15 / Finals 16-20**

**Novice Extemp will use US Foreign Policy as the topic area.**

**World Schools Debate will use the TFA Motions 2, 4, 6, 8, 10**

Your school must have an adult sponsor/judge to be available for all tournament times/rounds to judge and provide support for the tournament when needed.

We look forward to providing an exciting educational experience for all!

Sincerely,

David Brown
