

Greetings!

We would like to welcome you to the Lake Travis Cavalier Classic **TFA**
IQT. This year we are again a **NIETOC Qualifier** (based on entry events).

The tournament will take place IN PERSON, September 18th, 2021. This is a ONE DAY tournament. **We plan to socially distance and strongly encourage mask wearing.**

We will offer the full set of events in IEs and Debate (including World Schools), including novice divisions of Extemp, LD, and Policy Debate. For the purpose of this tournament, a Novice is considered someone in their first year of high school competition. We require the NDCA Novice CX Packet for all of our novice CX rounds.

Congress Debate will use the TFA Docket posted on Tabroom.

Prelims 11-15 / Finals 16-20

Novice Extemp will use US Foreign Policy as the topic area.

World Schools Debate will use the TFA Motions 2, 4, 6, 8, 10

Your school must have an adult sponsor/judge to be available for all tournament times/rounds to judge and provide support for the tournament when needed.

We look forward to providing an exciting educational experience for all!

Sincerely,

David Brown
