Dear Coach and Team:

The Raytown South chapter of the National Speech and Debate Association cordially invites you and your team to attend **The Southside Jamboree** on Saturday, November 6th. This will be a Novice 6-Round Debate tournament. We are excited to host the tournament in-person at Raytown South High School, and we welcome our friends at The Pembroke Hill School that will be hosting with us.

We are pleased to offer Novice Policy Debate, Novice Lincoln Douglas Debate, and Novice Public Forum Debate. **Due to COVID protocols and space limitations, entries may be limited. We will be requiring varsity students to cover your entry.** Please plan on one varsity student judge per four PFD/LD entries and one varsity student judge per two CX entries. We hope to be able to work with programs that struggle to cover their entries with judges, but entries may be cut back to what your judge offering can cover.

Entries should be submitted through [Tabroom.com](https://www.tabroom.com). Schools are responsible for the total entries given in confirmation the weekend before the tournament.

The deadline is Wednesday, October 27th. We have a small building, but want to host many schools. Please observe this deadline to help us accommodate every school that would like to attend.

We're looking forward to hosting you!

Sincerely,

Maureen Thomas
