- **Public Forum Debate: 1 judge for every 3 teams**
公共论坛辩论：每 3 支队伍 1 名评委
- **Speech Events: 1 judge for every 5 contestants (rounding up)**

Judges may be adult (English Fluent) volunteers: teachers, administrators, parents, etc.

Judges may be junior/senior Debate students with experience in the activity. We recommend bringing upper classmen.

评委可以是成人（英文流利）志愿者：教师、行政人员、家长等。

评委可以是有活动经验的十一年级/十二年级辩论赛学生。我们建议高年级的学生参与。

All judges must be available for all preliminary rounds, the first elimination round, and for one round beyond elimination of the last contestant from the school that the judge represents in the tournament. If you do not have enough judges to cover your obligation, you will be assessed a fee to cover the cost of hiring the necessary judges.

例如，您的团队注册了 6 个辩论队伍，12 位演讲参赛选手，您需要负责提供 5 名裁判（2 名辩论裁判，3 名演讲裁判）。如果您仅提供了 1 名 PF 裁判和 3 名演讲裁判，您需要支付 500 人民币用来聘请以命裁判。

PUBLIC FORUM DEBATE

公共论坛辩论

There will be two divisions of public forum debate – Varsity and Novice – on the Fall National Speech and Debate Association China topic. Both divisions will use National Speech & Debate Association time format and rules. We encourage coaches to enter students in the division that best approximates their skill and experience level, and we leave that judgment up to you. The novice division is intended for high school students in their first year of competition and middle school students in the sixth through eighth grade.

4 Preliminary Rounds, clear to Quarterfinals.

公共论坛辩论将有两个组别 – 校代表队和新手队 – 以全国演讲与辩论协会中国秋季赛为基准。两个组别都将使用该协会的时间要求和规则。我们鼓励教练为学生报名参与最接近他们技能和经验水平的组别，并且我们将这一判断权留给教练。新手队为第一年参加比赛的高中生以及六到八年级的初中生准备。**四分之一决赛前共有 4 场初赛。**

SPEECH

演讲

The tournament will feature competition in three events in one pattern: Extemporaneous Speaking, Impromptu Speaking, and Original Oratory. National Speech & Debate Association rules will govern all competitions. There will not be separate divisions for Varsity/Novice, however middle school students are permitted to use the abbreviated time format appropriate to their age group. Judges will be instructed not to consider the difference in time as a factor in adjudication. Judges will be encouraged to submit ranks and ballots electronically however paper ballots will be made available if necessary. Elimination rounds will be sectioned by preliminary round seeds to balance out the competition.

2 Preliminary Rounds, clear to Semifinals (based on entry size, 3 Prelims to Finals)

本次比赛将在一个模式中进行三个项目：短时准备演讲、即兴演讲和原创演说。全国演讲与辩论协会的规则适用于所有比赛。校代表队和新手队不区分单独组别，但初中部学生可以使用适用于其年龄组的缩短的时间形式。裁判做出裁决时无需考虑时间差异。裁判需尽可能通过网上提交排名和选票，如有必要，我们也将提供纸质选票。淘汰赛将按初赛种子选手进行分组，以平衡竞争。

半决赛前将有 2 场初赛（根据参赛人数，决赛前有 3 场初赛）
