A Bill to Prohibit Immigration from Countries with Highly Contagious Health Crises

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. Immigration shall be prohibited from countries currently in or recently in a health crisis concerning a highly contagious illness or disease.

SECTION 2. “Immigration” shall be defined as any way of coming to the United States, (legal, illegal, asylum-seeking, work visa and student visa methods included), whereas foreign aliens from a country with a health crisis are not allowed. “Health crisis” shall be defined as a country-wide or larger health related emergency where an epidemic has been declared or the World Health Organization or other body similar declares the illness or disease a crisis or emergency. Diseases that are included, but are not limited to the novel coronavirus (2019-nCov), Severe Acute Respiratory Syndrome (SARS), Ebola virus disease, Zika virus disease and Cholera.

SECTION 3. The Department of Homeland Security and the Department of Health and Human Services shall oversee the implementation of this bill.

A. U.S. Citizenship and Immigration Services shall be the section of the Department of Homeland Security primarily responsible for this bill.

B. This prohibition will remain in effect once the World Health Organization or a similar body thereof declares an end to the outbreak.

SECTION 4. This law will be taken into effect immediately upon the passage of this bill.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted,

A Bill to Implement Mental Health Education in Public Schools
BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. Mental health education programs will be implemented into public schools in the United States, and all students should have a mental health screening alongside other school-required health tests such as physicals.

SECTION 2. A mental health education program shall be defined as a course required by the school that teaches how to optimize and maintain good mental health, as well as about mental disorders and illnesses and their treatments.
Mental health shall be defined as the psychological wellbeing of a person whereas they have an absence of mental illness or disorders that cannot be coped with. Mental illness/disorders shall be defined as a psychiatric disorder or behavioral pattern that interferes with a person’s day to day life.

SECTION 3. The Department of Education and the Department of Health and Human Services shall oversee the implementation of this bill.
A. The Department of Education shall be granted $5 million to execute the actions of this bill.
B. The programs established must address substance abuse, sex and family life, safety, coping mechanisms and mental disorders and illnesses in an all inclusive and non discriminatory manner.

SECTION 4. This law will be taken into effect no later than two years after the passage of this bill.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.
