Beechwood Tiger Tournament:

Limited Prep Topics

Broadcasting:

Please remember that all broadcasters are required to submit a “Round 2 Prepared Script” as indicated in the KHSSL Handbook p. 16 [linked here].

Extemporaneous Speaking:

Competitors should prep OFF CAMERA. (Please do not record your 30 minutes of prep.) Competitors should choose one of these three questions on which to prepare their speech:

2. Has the COVID-19 pandemic done major damage to the U.S. economy?
3. Should there be more regulations on teenage use of social media?

Impromptu Speaking:

Competitors should prep ON CAMERA. Remember that on the middle school level, students get a total of 10 minutes to both prep and present a speech. See details in the KHSSL handbook p. 27 [linked here]. Competitors should choose one of these two quotations on which to prepare their speech:

1. “The worst loneliness is not being comfortable with yourself.” - Mark Twain
2. “What worries you masters you.” - Haddon Robinson

Improvisational Duo:

Competitors should prep ON CAMERA, but in separate locations. The competitors may NOT be in the same room together. Remember that on the middle school level, students get a total of five minutes to prep a scene that can last up to six minutes. See details in the KHSSL handbook p. 29 [linked here]. Competitors should prepare their performance based on this prompt. The scene can be either humorous or dramatic.

1. An encounter with someone from the past.
