The Vampire Protection Act

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:
SECTION 1. The United States shall ban the sale of new outdoor uplighting and non-motion detector home and street lighting in all 50 states. Furthermore, the use of current outdoor uplighting and non-motion detector home and street lighting shall be limited to the hours of 5:00p to midnight each day in order to give vampires 6 hours of night for their inherent activities.
SECTION 2. Areas close to protected habitats may have reduced hours of artificial light dependent on local and county ordinances.
SECTION 3. The Environmental Protection Agency (EPA) will oversee the enforcement of the bill by establishing an Office of Light Pollution (OLP) within its Office of Air and Radiation. The Regional Offices within the EPA shall establish regional guidelines and restrictions.
SECTION 5. This bill will take effect on July 1, 2022.
SECTION 6. All laws in conflict with this legislation are hereby declared null and void.
