Semifinal Congressional Debate
Legislation 2021
A Resolution to Become Oil Independent

1 WHEREAS, The current oil market has been subject to high fluctuation, and
2 WHEREAS, Crude oil and gasoline prices have hit highs in the past year due to a gas
3 shortage in Asia and Europe
4 WHEREAS, Higher gas prices can create a drag on the national economy that may
5 rattle most industries, and
6 WHEREAS, The United States currently has the capacity to become oil independent
7 due to the increased exports of oil over imports. There be it
8 RESOLVED, That the Congress here assembled shall reinvest funding from foreign oil to
9 domestic oil to become an oil independent nation.

The MINE (Make and Implement Needle Exchanges) Act

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. A. The U.S shall allocate 100 million dollars in the creation of a national needle exchange program.

B. The U.S shall also allow current standing SSPs to purchase needles and/or syringes.

SECTION 2. A. Needle exchange program shall be defined as a public health program that reduces the spread of infections caused through injections.

B. SSPs shall be defined as Syringe Services Programs

SECTION 3. The Department of Health shall oversee enforcing the creation of a national needle exchange program.

A. Subsections may be used to elaborate further details, but only needed if you need to have more than one subsection.

B. This would be a second subsection.

SECTION 4. This legislation shall take effect at the beginning of FY 2022. All laws in conflict with this legislation are hereby declared null and void.
