

Southern Wisconsin NSDA District Tournament

Congressional Debate: March 18th VIRTUAL on NSDA Campus

Speech Events: March 19th IN PERSON at Marquette University High School

All Southern Wisconsin NSDA member schools are invited to enter and participate in the **Southern Wisconsin NSDA District Tournament** on the above dates. Qualifiers to the National Tournament will be based on actual entries competing in each event. We have two qualifiers in each speech division.

Schools must have any student membership fee balance paid for prior to the tournament or bring a check to cover any outstanding balance the day of the tournament. This is an NSDA policy – if the school has ANY outstanding balance with the NSDA on the day of competition, it must either be paid, or the school may not compete.

Procedures and Deadlines for Entry:

1. **ASAP-** Enter NSDA points for students on speechanddebate.org. For students to be eligible to compete, they must have 25 or more NFL points and an active student account at speechanddebate.org.
2. **Monday, March 8th** - All Legislation must be submitted in the correct format on tabroom.com. Maximum 2 per school, however a school can submit additional legislation for a reserve docket to be available for debate only after main docket legislation has been addressed. The legislation also must be original work of the student submitting it. The committee reserves the right to remove repetitive legislation or legislation that does not meet the NSDA requirements. **Please see attachment regarding legislation policies for NSDA. If it is not in the correct format, coaches will be given 48 hours to correct.**
3. **Friday, March 11th at 8pm** - Enter all competitors online at: **tabroom.com**. After registration, please print the appropriate document on the “NSDA Forms” tab. Fees and judging obligations are locked as of this time. This means if you have drops on Saturday the 13th, your entry fees and judge obligations will stay the same.
Students can double enter in individual events but must complete a letter of intent (found on tabroom.com). If a student competed in a debate qualifier, they cannot double enter in two speech events (they can only do one).
4. **Prior to the first round of competition** - Official Paperwork (NSDA Form and Letters of Intent-only for double entered students) must be emailed to the District Chair, Stephanie King, prior to the first round. Students CANNOT compete without signed entry forms in hand.

Coaches do NOT need to submit copies of the manuscript or original source materials for speech pieces. However, these materials MUST be available at the qualifiers in case of a rule's violation concern. If there is a rules concern and the required materials are not available, then it will be presumed the rule has been violated. Additional information can be found in the Interpretation

rules in the NSDA manual. It is the affirmative duty of each coach and each student entered in Interpretation contests to determine absolutely that the cutting being performed meets all rules for material.

5. Please review the tournament manual and documentation. **This includes confirming ALL pieces follow the NSDA rules.** It is your obligation to review the rules with your students. Please read the attached manual carefully. Letters of Intent can be found on the tabroom site. Please contact Stephanie King if you have questions about tournament operations, documentation required, etc.

Nationals Note: Reminder that nationals is planned to be in person. Please register your entries with this in mind.

Bringing an unaffiliated judge counts as two judges. An unaffiliated judge is someone who does not personally know, coach, or is affiliated with any students or schools/coaches at the tournament. An alum of your school is NOT neutral for your school unless they have been out of high school for four or more years without coaching or knowing any students on the team. Please notify Stephanie at stephak88@yahoo.com if you believe you have a clean judge.

If you have judges to recommend for hire – especially those who you know to be unaffiliated with competing schools, send their names and email addresses to stephak88@yahoo.com. Extra judges mean the day will go much faster and smoother. As most of our fees go to hire extra judges, providing extra judges can also offset fees; email Stephanie for details.

Please review the reasons for recusals posted to tabroom.com. This is provided by the NSDA. Please notify Stephanie before the tournament begins if there is an entry a judge should be recused from judging. It is much easier to proactively put a block in than after rounds have been paired.

Judge training requirement: If someone is in the first two years of judging, they must complete the Adjudicating Speech and Debate training (<https://nfhslearn.com/courses/adjudicating-speech-and-debate>). This roughly takes 1.5 hours. If someone has judged more than two years, they must complete the Cultural Competence training (<https://nfhslearn.com/courses/2019-cultural-competence-course>). This roughly takes a half hour. Both trainings were created by the NFHS and NSDA jointly. Coaches will be notified if there are judges registered who have not completed the training. If your judge completed this in a prior year, they do NOT have to complete it again. If you'd like to check on a judge's status, just email Stephanie.

Judges may self-identify as diversity enhancing for the WSDT. We don't, and won't, seek to define what it means to enhance diversity. During the tournament, the computer will use that information when placing judges. We do not publish the list of judges who have identified themselves as diversity enhancing and leave it totally up to you as an option.

4:00-6:00 pm Session I

Senate session II and Congress Supersession: 6:30-8:30 pm

We need a minimum of EIGHT schools represented in the Senate. We need a minimum of 16 students represented in the House. The Senate will have two qualifiers. The number of qualifiers in the House will be at least two, possibly more depending on the number registered.

If an event needs multiple chambers, students will be assigned by the tabulation software.

Individual Events Qualifier, Saturday, March 19th

Location: Marquette University High School 3306 W. Michigan Street, Milwaukee, WI 53208

Pairing procedure – Each event will have three preliminary rounds and then break to elimination rounds if the numbers require it. Preliminary rounds will have two judges and elimination rounds will have three judges. Judges will render decisions independent of each other.

If there are less than 8 entries, there is no elimination round, and the preliminary rounds decide the qualifiers. If there are 8 or more entries, 25% of the event will clear to elimination rounds. If 25% is less than 4 entries, a minimum of 4 entries will advance. If 25% is more than 8 entries, the event will break to a semifinal round.

Based on number of entries in each event at the close of registration, the start times of events may be staggered to maximize judges. This means some events may have rounds off built in during the day. ***A final schedule will be released after registration closes. It changes based upon which events will need an elimination round and how many students are multiple entered. However, to aid in planning transportation, previous qualifiers had registration 7:30-8a, opening meeting 8-8:30, and rounds 9am – 5pm. It is anticipated that this year's qualifiers will be similar to this.***

Below are all new notes regarding the in-person Speech Qualifier. Please read in its entirety.

Please note: The NSDA Qualifier will be hosted at Marquette concurrently with the Marquette Invitational. Students will not be allowed to enter both tournaments on that day (i.e., a competitor may register for the NSDA District Tournament *or* the MUHS Invitational, not both). This rule applies to judges as well; if you have students entered in both the MUHS Invitational and the NSDA District Tournament, you must provide a separate set of judges for each tournament.

Online balloting will be used for this tournament, so judges should bring a laptop or tablet to submit ballots electronically. Please share this [training video](#) with any judges who are new to electronic judging on Tabroom. It is recommended that judges type their feedback into a Word document during the round, and then paste their comments into Tabroom at the end of the round. In case of wifi troubles, this method ensures that judges' hard work is not lost. It is also critical that judges triple check they are entering the right feedback and rank to the right entry – the tabs are not guaranteed to be in performance order.

Round Assignments via Tabroom Dashboard or Text: There will be no paper postings for round assignments. Students can see their round assignments on their tabroom.com dashboard. They may also opt in to receive text updates during the tournament, which eliminates the need to check their dashboard.

Food for Judges: Prepackaged breakfast and lunch items will be available for coaches, judges and drivers in the judges' lounge (Cannon Commons on the ground level). Vegetarian and vegan options will be available.

Food for Students: Students may bring a bag lunch or preorder a boxed lunch for \$7. Each boxed lunch includes a large sandwich, chips, and a dessert. Sandwich options are ham, turkey, salami,

roast beef, egg salad, or vegan wrap. Boxed lunches will not include beverages. Please send a team representative to the Commons for lunch pickup. Lunch orders should be placed on tabroom.com. This will populate the cost straight to your invoice for the tournament. **MEALS MUST BE ORDERED BY THE TIME REGISTRATION CLOSSES ON MARCH 11TH.**

Parking/Drop-off Info:

Buses: **Drop off on Michigan Avenue** (not Wisconsin Ave.) between 33rd and 34th Streets. **Buses should not enter the parking lot or circle drive.** Bus parking is available in the student lot on the southwest corner of 34th and Michigan. **No entry at the Wisconsin Avenue doors.**

Cars/Vans: Drop off in the circle drive on Michigan Avenue between 33rd and 34th. Park in the faculty/staff lot adjacent to the circle drive. Enter the school through the glass doors on the circle drive. **No entry at the Wisconsin Avenue doors.**

World's Debate:

The NSDA is offering World's Debate again. To be eligible a student must compete in at least one event (debate, speech, interp, congress). Being a "debater" is not a prerequisite- the USA Debate team includes students to identify as extempers and orators as well. A student may prefer World Schools debate on their Letter of Intent form.

We will be using a "method B" for selection- an open application process for any students. While the team (or teams if there is enough interest for us to request a second team) is a "district team" student costs of the trip (registration, judge, travel, school approved chaperone) must be covered by the participating students or their schools.

Students must also be willing to commit to a preparation schedule in May and early June, so those needing to dedicate time to AP tests, finals, and NCFL prep should consider whether they have time to commit an additional event, as missing practice or not contributing to research is unfair to both those not selected and their teammates.

IF INTERESTED please email stephak88@yahoo.com with the names of all interested students along with a summary of their forensics/debate history/accomplishments, and what strengths they would bring to the team by March 22nd.

If multiple students from a school apply and spaces are limited, their coach may be asked the order in which they would select them for the team.

Tournament Day Communications:

During the tournament, coaches and judges can: Text Stephanie, call Stephanie, email Stephanie, enter the tournament zoom and talk to the tournament staff in there.

If there are equity concerns, the concerned individual can email equity.swinsda@gmail.com and the equity officers for the weekend will respond.
