

Dear Coaches:

The District Committee looks forward to welcoming you and your team to the Chesapeake District Tournament, the qualifying tournament for the National Speech and Debate Association National Tournament in June. Although Nationals will be in person the District Tournament will be held completely virtually this year.

The tournament features competition in speech, debate, and congress events.

Policy debate, public forum debate, Lincoln-Douglas debate, international extemporaneous speaking and United States extemporaneous speaking will be held live on Saturday March 26th. Informative speaking, original oratory, duo interpretation, dramatic interpretation, humorous interpretation, and program oral interpretation will be held synchronously (live) with judging taking place Saturday March 26th. Congressional debate will be held live on Sunday March 27th.

Debate events will use the March NSDA topics. To enhance the educational aspect of the tournament, electronic ballots with critiques will be provided in all rounds in all events.

At the conclusion of the tournament, in addition to announcing the qualifiers, the district will award the District Student of the Year, Alumnus of the Year, Communicator of the Year, Volunteer of the Year, Coach of the Year, Administrator of the Year, and New Coach of the Year. Information on nominations is contained in this packet.

Please read the information in these pages carefully (even if you have attended Districts many times before), as this tournament is different than many others that you may be accustomed to attending. ([LINK](#))

If you have any questions, you can reach Patrick Daniels, District Chair at patrick.daniels@baltimorecitycollege.us.

Sincerely,

Patrick Daniels, Steve Sprouse, Aimee Sann, Sue Hayes, & Peter Susko
The Chesapeake District Committee

Eligibility:

Schools must be registered members of the National Speech and Debate Association to enter this tournament (to join NSDA, visit www.speechanddebate.org). All students must also be paid members of the National Speech and Debate Association, have an online account at www.speechanddebate.org, and hold at least the Degree of Merit (25 points).

Entries:

Schools may enter up to four entries in each speech or debate event, up to two entries in congress Senate, and as many congress House entries as permitted. A school's total number of entries for the tournament, and congress House entries, are based on the school's total NSDA degrees *on record seven days before the tournament* (see page 66 of the High School Manual, (<https://www.speechanddebate.org/wp-content/uploads/High-School-Unified-Manual-2021-2022.pdf>))

Since entry numbers are dependent on total degrees, please make sure that you enter any backlogged student points into the system as soon as possible, but certainly before March 19th!

Supervision Requirement:

Although the tournament is virtual, all schools participating in the District Tournament must have a supervising adult who will be reachable for the duration of the tournament. Unattended students will not be allowed to compete. All students from a school should know who the supervising adult is, and the supervising adult should know what students from the school are in attendance, and how to contact their parents if the need arises.

For more help on registering on Tabroom.com, visit:

<https://www.speechanddebate.org/tabroom-districts-registration/>

All students entering more than one event must complete the Single Entry Letter of Intent form (<https://www.speechanddebate.org/wp-content/uploads/District-Tournament-Single-Entry-Letter-of-Intent.pdf>). Coaches should submit completed forms by Sunday 3/20 to patrick.daniels@baltimorecitycollege.us.

Judging Requirements:

LD, PF, POLICY, BQ: 1 judge per every 2 entries (or fraction thereof)

SPEECH: 1 judge per every 4 entries (or fraction thereof)

CONGRESS: 1 judge per school

Since this tournament is the qualifier for the prestigious NSDA National Tournament, our students expect and deserve to be judged by experienced people. The district committee must insist that ALL judges who attend the tournament are properly trained and have some experience with their assigned area. Please DO NOT register novice judges, or you will be asked to replace them or pay a hired judge fee.

When registering judges, please list any alternate events that the judge is qualified to listen to (PF, LD, Policy, Speech, Congress) in the notes field.

Hired judges may be purchased at the cost of \$150, subject to availability. Entries not covered by judges will automatically be billed for hired judges when registration closes on 3/20 at 8:00 PM. If no judges are available, you may be required to drop entries. Please reach out to let us know what your plan is.

You must notify all of your judges that all judges are obligated for the duration of their respective events. Early departures prolong an already long day for everyone, and will be subject to a nuisance fee unless the judge is replaced. If one of your judges can't stay the entire day, please register an additional judge to fill in the gap (i.e. judge one works from 8:00-2:00 and judge two works from 2:00-finish). Please make note of this when registering online. No ballots will be released to a school that has accrued nuisance fines until those fines are paid in full.

Multiple Entry Rules:

Triple entry is permitted, if one of those events is Congressional Debate or Big Questions. Otherwise, double entry is permitted. A student may enter at most one event from pattern A, at most two events from pattern B, and at most one event from pattern C.

Pattern A: Policy debate, public forum debate, Lincoln-Douglas debate, international extemp, United States extemp

Pattern B: Duo interp, original oratory, dramatic interp, humorous interp, informative speaking, program oral interp

Pattern C: Congressional debate, Big Questions debate

If a student enters a partnered debate event and duo, then the partnership must be the same for both events.

All students entering more than one event must complete the Single Entry Letter of Intent form (<https://www.speechanddebate.org/district-tournament-single-entry-letter-of-intent/>). Coaches should submit completed forms by Sunday 3/20 to patrick.daniels@baltimorecitycollege.us.

Debate Topics:

We will use the March topics.

LD: Resolved: In a democracy, a free press ought to prioritize objectivity over advocacy.

PF: Resolved: In the United States, the benefits of increasing organic agriculture outweigh the harms.

POLICY: Resolved: The United States federal government should substantially increase its protection of water resources in the United States.

National Qualification:

If entry numbers are adequate (at least 10 entries), the top three entries in each speech and debate event will qualify to the NSDA National Tournament. Otherwise, if there are at least 4 entries in a speech or debate event, the top two entries will qualify. In Congress, the top 2 entries in each chamber will qualify. In Big Questions debate, the top entry will qualify.

Debate Procedure:

The tournament will use the up/down system as described in the Unified Manual. An entry that accrues two losses is eliminated from the competition. It is not possible to know in advance how many rounds will be required to determine the qualifiers; that depends on the number of entries and the distribution of wins and losses.

In partnered events, partners may either compete together in the same room or from two different locations. Partners may share a device or use two separate devices. We recommend that all competitors follow local guidelines for social distancing at the time of the tournament.

<https://www.speechanddebate.org/wp-content/uploads/High-School-Unified-Manual-2021-2022.pdf>

Congress Procedure:

The tournament will use the procedure as described in the Unified Manual. Chambers will be smaller than normal (8-15 students) due to limitations of the online platform. There will be one three-hour round, breaking to a three-hour final round, with judge cumulative rank totals determining the breaks and the qualifiers. Student ranking will not be used.

Speech Procedure

The tournament will use the pilot procedure as described in the Unified Manual. All entries will compete in three rounds; if there are eight or more entries in an event, the top entries will advance to a fourth and final round. Speech will be LIVE (on NSDA Campus) !!!! We do want to acknowledge that if a student loses power/internet or has technical difficulties during the day that we will have a recording link to replace that round. This could function as a one time replacement; akin to the 10 minute tech time exception offered in the Debate events. The recording does not replace the synchronous participation.

<https://www.speechanddebate.org/wp-content/uploads/High-School-Unified-Manual-2021-2022.pdf>

If a final round is required in either international extemp or domestic extemp, that round will feature cross-examination.

Online Platforms

The District Tournament will be using Tabroom.com with NSDA Campus. All live debate and extemp rounds will occur on NSDA Campus.

Prohibited Tech

Competitors may not use green screens, virtual backdrops, on-screen text, or professional equipment enhancements such as professional lighting kits or professional grade camera recording and audio devices during their performance in any event. Professional equipment includes items like softboxes or an auditorium’s lighting system; use of these items is not permitted. Backdrops of a solid color with no special markings may be used by competitors and judges.

\$20 per duo, public forum, or policy debate entry

\$10 per entry in other events

\$150 per hired judge

The separate \$30 school registration fee is waived for this year only.

All fees (which include any unpaid invoices from NSDA) are due at registration and must be paid before students are permitted to compete. The NSDA is very particular about this and this regulation will be strictly enforced. Checks should be made payable to "Chesapeake NSDA District".

Example Registration

Sunshine HS has 36 NSDA degrees, which allows it 12 speech/debate, 4 Student Congress House and 2 Student Congress Senate entries at the District Tournament. It registers 2 policy debate teams, 4 House and 2 Senate entries, and 2 OO and 2 DI entries. Sunshine also registers 1 congress judge, 1 policy judge, and 1 speech judge. Tournament fees would be as follows—

\$40 policy debate entry fees + \$60 congress entry fees + \$40 speech entry fees = \$140 tournament fees

Specific payment instructions will be provided as we get closer to the tournament.

Congress Legislation

Congress bills and resolutions should be submitted to the district committee by Saturday, March 19th. Bills will be uploaded to the Tabroom web site shortly thereafter. The district committee reserves the right to publish unsponsored legislation or previously debated local league bills if needed to fill out the docket.

Legislation should be emailed to patrick.daniels@baltimorecitycollege.us.
