

Virtual Fairview Freeze

January 15, 2022

THE BIG STUFF:

- We are a NIETOC bid tournament! The number of bids will be based on the number of entries in each event. See more: <http://nietoc.com/>.
- Pre-registration of entries is due Monday, January 10th @ 7pm mtn.
- Asynchronous recordings and all judges must be added by Wednesday January 12th @ 7pm mtn. Judges for live events can be updated by Friday, January 14th @ 7pm mtn.
- We will be using Tabroom and rounds will be on NSDA campus, except draw events which will be held in Zoom. All student NSDA/tabroom accounts must be linked prior to the tournament. Teams are responsible for checking tech set-up and access to NSDA campus.
- Initial entry limit of 6 per event, but we anticipate clearing the waitlist.
- \$8 per asynchronous entry; \$10 per live competitor.
- Each school is responsible for providing judges to cover their entries. Please provide 1 judge for every 2 debate entries or every 6 IEs; please reach out if this is prohibitive. We will recruit heavily from our community. We will not pay judges who are meeting a school's judging requirement.
- Debaters may only double in asynchronous events; students in live IEs may double across IEs with the risk of lost prep time and the responsibility to get to rounds; all students may enter asynchronous events. Limit 3 events per student.
- Events will use NSDA rules with NSDA topics (CHSAA for Value Debate/Impromptu/Creative Storytelling);
- A coach or responsible adult that can judge must be online and available at all times during the tournament. We will request contact information.
- We ask everyone to follow and respect the NSDA harassment and discrimination policy which can be found at <https://www.speechanddebate.org/equity/>

Events & Schedule: All times in Mountain

- Topic areas for Prepared Prompt Speaking & Prepared Commentary will be sent the morning of January 10th.
- Students may enter in both live and asynchronous individual events (i.e. live OO and asynchronous OO).
- Debaters may only double in asynchronous events.
- Students in live IEs may double across IEs with the risk of lost prep time and the responsibility to get to rounds.
- All students may enter asynchronous events. Limit 3 events per student. (Examples: 1 Live debate entry and 2 async or 2 live IE events and one async event.)
