USD 443 does not discriminate on the basis of race, color, national origin, sex, age, religion, military status, primary language, and/or disability. This non-discrimination policy applies to admission, employment, programs, activities, and providing equal access to Boy Scouts and other designated youth groups. A lack of English language skills will not be a barrier to admission and participation in the Career and Technical (vocational) and/or other educational programs of the school.
Tournament Details

1. COVID-19 mitigation - Masks and distancing are strongly recommended and encouraged, but since our district has made masking optional, so must it be for our tournament.
2. Students may enter as many events as they like but may not enter two draw events in any combination (Imp, IDA, USX, ISX).
3. You are allowed six entries per event, though I may be willing to remove that cap.
4. Your entry fees are $6.00 per entry. $12 per duo/duet.
5. Finals are cumulative.
6. Sweepstakes will be calculated in Tabroom by your top 16 events and are cumulative, including Finals.
7. Follow this link to register and enter the number of students you intend to bring: http://demon4n6.tabroom.com
8. I am working on a meal deal of some kind. Look for details in emails from the tournament.

Entries: Student participation: Students may enter multiple events. With the following caveat(s); You should not enter the same student in two draw events, and know we will not hold up the tournament waiting for them to perform all of their events.

Internets: Per KSHSAA rules, use of the internet is allowed in the Extemp prep room with the restrictions outlined in the KSHSAA rulebook.

Like Events: We reserve the right to combine any like events that lack numbers. I prefer to have separate events, especially in Duo and Duet, since they are both events for NIETOC. I’d like to keep Informative and Informative 10 separate because, when combined, Informative struggles against Info 10.

Extemp topics: Topics will come from current magazines and online news sources dated from January 1, 2022, to the present. I will email topics the week of the tournament.
Impromptu topics: Topics will be delightful randomness, like Johnny’s grocery list, this day in history, lines from whatever albums I’m feeling, etc. I will email topic areas the week of the tournament.

Time limits: Judges will be informed of individual events as posted below, but they will not be timekeepers. Judges may evaluate performance, including adherence to time, but there will not be penalties, such as “must receive last place” or “can’t take first place,” imposed.
