

2022 ILLINOIS DEBATE COMMUNITY (IDC)
NOVICE/JV STATE DEBATE FINALS
March 11-12, 2022 - Barrington High School

<http://ilnjvstate.tabroom.com>

Dear Illinois Debate Community,

This is a formal invitation to participate in the Illinois Debate Community State Debate Tournament for Novice/JV Lincoln-Douglas, Public Forum and Congressional Debate. **Please join us at Barrington High School in Barrington, IL on Friday, March 11th to Saturday, March 12th!**

The IDC State Debate Tournament is for first and second year debaters. We will host Novice and Junior Varsity divisions for each of the following events: Lincoln Douglas, Public Forum, and Congressional Debate. Novice and JV divisions may be collapsed into one division if the numbers warrant it (in which case we will still separate awards).

Please read the following information regarding eligibility, entry limits and judges carefully. To maintain the integrity of this state championship tournament, these standards must be met.

ELIGIBILITY

Novices: to qualify for this category, ALL debaters must be in their first year of competition in any type of debate. *In addition, high school seniors must be placed in the JV division even if they meet the criteria of a Novice.*

Junior Varsity: To qualify for this category, debaters must be in their first or second year of competition. Assuming they meet the criteria, all seniors must compete in this division.

ENTRY LIMITS

You are allowed up to **four** entries in each Novice PF, JV PF, Novice LD, and JV LD and up to **six** entries in Congress.

There must be a minimum number of entries in each division in order to hold a State Championship in a particular division of a particular event. Entry minimums as follows:

LD and PF: 6 different schools - at least 16 students

Congress: 4 different schools - at least 16 teams

In order for an Octofinals debate to occur, a minimum of 40 teams must be entered in the division at the time round 1 begins.

JUDGES

No judges will be hired by the tournament. To preserve the integrity of this tournament, please make sure that all of your judges are experienced in the type of debate that they will be judging. As a State Championship Tournament, this tournament should not have any judges who are not experienced. Schools that do not provide the required number of judges will have to drop teams at registration.

All judges are required to be available to judge the entire tournament. Please don't make us drop one of your teams because your judge leaves early!

We will be using TABROOM.COM for this tournament. Please make sure all of your judges have accounts that are linked to your school set up prior to March 11. Before adding judges, please specifically confirm the correct e-mail address is associated with the account and that no two accounts are associated with the same e-mail.

Novice Public Forum and Lincoln Douglas

In the **novice** division, each school shall provide **one (1) judge for each** Public Forum or Lincoln Douglas team. Juniors in their third year of debate or Seniors in their third or fourth year of debate may judge in the Novice division of the event they have competed in for at least 2 years. Please write STUDENT JUDGE in the Judge Notes on Tabroom.com. Two (2) judges will be assigned to each preliminary round and, if possible, three (3) judges will be assigned to each elimination round.

JV Public Forum and Lincoln Douglas

In the JV division, each school shall provide one (1) judge for every two (2) Public Forum or LD teams. JV judges must be high school graduates who never competed during this school year. One (1) judge will be assigned to each preliminary debate round and, if possible, three (3) judges will be assigned to each elimination round.

Novice Congress

In the **novice** division, each school shall provide **one (1) judge for every 3** Congress debaters. Juniors in their third year of Congress debate or seniors in their third or fourth year of Congress debate may judge in the Novice Congress division. Please write STUDENT JUDGE in the Judge Notes on Tabroom.com and rank them properly.

JV Congress:

Each school shall provide one Congressional judge per six entries. All Congressional judges must be high school graduates who never competed during this school year.

The tournament will use the same Congressional Debate Legislation that is used at IHSA.

STUDENT JUDGE AWARDS

The tournament will give prizes to the top 3 student judges as determined from a collection of their ballots throughout the tournament in Lincoln Douglas, Public Forum, and Congress Debate.

MISCELLANEOUS

1. Judges are expected to complete a full ballot for each round, including specific comments for each debater and a comprehensive RFD.
2. Judges must keep time. Students are allowed to time; however, under no circumstances are debaters to be the only ones keeping time.
3. Judges shall submit their completed ballot no later than 5 minutes after the end of the debate round. While it is possible for judges to return to their ballot to edit their feedback after their decision is submitted, it is strongly recommended that judges begin entering feedback during the round so they can submit a thoroughly completed ballot immediately following the end of the round.
4. Unless otherwise stipulated in this document, or at the discretion of the tournament directors, this tournament will adhere to IHSA State Debate Rules.
5. Students and judges who are not competing in any given round should remain in the designated areas in case we need to find them.

TOPICS

Lincoln-Douglas debaters will debate the March-April topic. Public Forum debaters will debate the March topic. IDC Legislation in Novice/JV Congressional Debate will duplicate the IHSA State Debate Preliminary Bill Packet. IDC will choose and announce in advance which three pieces of legislation will be debated in the Final Round of Congressional Debate.

FEES \$30 per PF team, \$30 per LD debater, \$20 per Congressional debater.

Coach of the Year

The IDC will present an award to the 2022 Coach and Assistant Coach of the Year. Awards will be chosen by all head coaches in attendance. Each school will be allowed to nominate one coach and one assistant coach. Coaches and assistants must be attending the tournament in order to be eligible.
