What's New?

Virtual Logistics
- **Local League Hubs** – In order to increase the communal experience of the virtual UDNC tournament, we are offering to work with leagues to find a non-school/non-home site for their students to debate from in their local area.
- **Block Grants** – This year NAUDL will be offering block grants to leagues in the amount of $500, plus $375 per entry to offset costs of food, swag, transportation, etc. Grants will be prorated based on number of team entries.
- **Platforms** – Tournament registration will be held on Tabroom and debate rounds will take place on Yaatly.

Tournament Information
- **JV Division** – The 2022 virtual UDNC tournament will include an evidence-limited JV division for the first time! In addition to the two varsity teams each league is invited to enter, all leagues will be invited to enter up to two JV teams. Leagues who bring additional entries will be expected to cover that additional judging obligation as well.

Tournament Schedule
- To accommodate the different time zones and league schedules, the tournament will begin on **Friday, April 8th** and end with Finals the evening of **Monday, April 11th**. Registration will take place on **Thursday, April 7th** (more detailed schedule on page 9).
- Leagues should make arrangements for students to be out of school all-day Friday, but will not need to be absent Thursday or Monday.
- Local Hubs will not extend to Monday, April 11th, as finals will take place in the evening after school hours. We hope that leagues will encourage their debaters to watch finals that Monday evening!

*Block Grant amounts will be determined based on student and judge registration after the March 18th deadline.

**Note:** The due dates above are the DEADLINES to submit forms and information. We strongly encourage each league to submit materials AS SOON AS POSSIBLE following their qualifying tournament. No block grants will be processed without all required information including, but not limited to, data forms, evidence disclosure, judge philosophies, media releases and background checks.

Virtual Logistics

Local League Hubs
The 2022 UDNC will take place in a fully virtual setting. For your convenience, we will be reaching out to our university and corporate partners to assist in finding an off-site location to host your league during rounds on Friday, Saturday and Sunday. Please let us know if you would like our assistance with a local hub by completing the Declaration to Attend form by Feb 24th.

Note: Local Hubs will not extend to Monday, April 11th. We may be able to work with leagues who have teams competing in the final round that need assistance securing a place to debate in Finals. This will be addressed case-by-case to secure a space for the Monday evening finals.

Block Grant Information
This year NAUDL will be offering a Block grant to cover some tournament costs in 2022. As we are still in a world where we have to be separated, we are hoping this grant will be helpful in making each league's tournament experience feel as close to the real thing as possible! Each league will receive a base fee of $500, with an extra $375 per entry add-on. These funds can be used at the league’s discretion to offset food for the weekend, travel expenses to and from your competition location, swag orders, etc.

Block Grant amounts will be finalized based on March 18th entry information.

NOTE: Entries that are dropped from the tournament between March 18 and April 8 may result in the league needing to refund that portion of their entry based grant.

Tournament Registration
Tournament Registration – http://udnc.tabroom.com/

Tournament registration will be opened on Tabroom.com on February 18. Each school entering the tournament will need a Tabroom account. All students and judges will need linked accounts to register for the event, receive updates and access ballots.

Each school entered in the competition should compete under a unique account. Leagues should not enter debaters using a league wide account.

Registration closes March 18th.

If you do not have a Tabroom account for your team you can set that up at the link below:

Tabroom Resources:
- Creating Your School (PDF Doc)
- Connecting your team to UDL reporting
- Creating And Linking Your School Video Webinar

Virtual Logistics

Tournament Site
All virtual gatherings and competition rounds will be held on Yaatly. After a team has registered for the Virtual Urban Debate National Championship an invitation to the Yaatly event will be provided.

If your team has not participated in a Yaatly event before you can prepare for competition by creating team and participant accounts.

Yaatly Resources:
- Guide for Coaches
- Guide for Participants (Competitors, Judges, Observers)
- Guide to Technology
- Guide to Competing Online

Tech Prep & Procedures
Before the Virtual Urban Debate Championship all members of your competition group (debaters, coaches, judges and league contacts) should complete the virtual tournament check list to ensure a smooth experience during the event.
- Create a Tabroom.com account and link to your team
- Create a Yaatly.com account and link to your team
- RSVP for the Virtual UDNC on Yaatly
- Confirm your tournament competition machine meets these guidelines
  - Windows, Mac or Chromebook computer. (No smartphones or tablets)
  - Most up to date version of Chrome browser installed
  - Has access to internet on site at the Local League Hub
- Log into Yaatly Demo Event and complete “System Check” to confirm Connection, Audio and Video

If after completing preparation activities a participant is having access or technical issues a member of the Virtual UDNC team will be available to facilitate solutions during the week leading up to event.

We strongly recommend leagues plan for at least one 30-45 minute visit at the local league hub where competitors will be competing to ensure that WiFi connections, firewalls and other security settings can be navigated by participants. If your teams and/or teachers are unable to meet at your local hub before the tournament, please arrange for a program staff member to complete that visit on their own AND have all debaters and judges logged in on or before 9am CT on Friday to troubleshoot.
Virtual Logistics

Authorization for Student Participation
Leagues are responsible for securing the appropriate school and/or district authorizations for student participation in the UDNC.

Authorization requirements vary by school system. Please be advised that obtaining appropriate clearance can sometimes take longer than expected. Please initiate the process of seeking approval for competing from all appropriate parties as soon as possible, perhaps even before selecting specific participants. Please let us know as soon as possible if insurance waivers or other event information is required from NAUDL to ensure your debaters can attend.

The Urban Debate National Championship is an approved contest for students by the National Association of Secondary School Principals (NASSP).

Student Supervision
Please be aware that participating coaches and school system-designated chaperones are fully responsible for student supervision at their virtual tournament locations. NAUDL cannot provide supervision at each league’s tournament site, or other public or private venues.

Participants are strongly encouraged to take typical precautions when traveling to and from locations (e.g., travel together in groups, never alone, keep valuables secured). Security and supervision is solely the responsibility of participants, not NAUDL.

All participants are expected to comply with rules, regulations, or guidelines established by their local school systems. More generally, participants should comport themselves in a manner that reflects positively on their school, league, and NAUDL, as well as event sponsors. NAUDL has zero tolerance for any infraction of the law or of local codes and will report any and all such violations to school system officials and other local leadership.
Tournament Information

Tabroom
All tournament information will be available on Tabroom including:
- Registered teams
- Tournament schedule
- Electronic ballots
- Text and email updates

Coach Appreciation
During round five we will continue the tradition of celebrating coaches with a reception and a small thank you.

Elimination Debate Recording/Video Archive
During the tournament NAUDL may record select rounds. Any video content will be reserved for instructional use by leagues and coaches. If any videos are selected for use, all leagues will be notified before they are posted.

If you have questions about the video archive or process please email Brooke Mooreland, Director of Education (brookemoreland@urbandebate.org)

*We encourage leagues to invite their students and coaches to watch the final round on Monday. There will be a link provided to join the stream.

**JV and Varsity divisions will follow the same schedule**
Tournament Information

Team Selection Criteria

Each invited league will receive up to four entries for high school debate pairs to compete in the JV and Varsity divisions at the Urban Debate National Championship. Teams are invited to send up to two qualified Varsity teams and up to two qualified JV teams. It is the league’s responsibility to select competing teams. As you consider selection criteria, we recommend looking for hard-working and dedicated students who will give their all to the event.

Teams must consist of students who attend the same school. Qualifiers must have participated in at least one league sponsored tournaments during the current academic year. Our objective is to assemble the most dedicated debaters who participated in the urban debate network this year.

An additional entry will be reserved for the Debater of the Year and their partner if they have not already qualified. Debaters competing in additional slots must also meet the qualification requirements for the tournament.

JV Division

We’re excited to announce that as a result of some very productive conversations the 2022 Virtual UDNC will include an evidence-limited JV division for the first time! The goal of this division is to reward diligent JV debaters who have persisted in debate during the last two seasons. It is designed to be an educational experience where debaters will have a limited evidence set to improve argument understanding and clash within the division. It will also serve as an opportunity for more debaters to see themselves as part of the broader urban debate community.

In addition to the two varsity teams that each league is invited to enter at the Virtual UDNC, all leagues will be invited to enter up to two junior varsity teams. Leagues who bring additional entries will be expected to cover that additional judging obligation as well.

Based on league input the JV division will be open to the following students:

- Debaters who are not yet varsity-level either because they have never participated in a varsity or open division, OR because they have only participated in league varsity divisions due to JV divisions being collapsed into varsity due to division size.
- Debaters who attend the same school
- Debaters must represent an active school in your league, however, due to the difficulties many students have faced in attending multiple events we are waiving the minimum tournament requirement for 2022.
- There will be no mission-alignment requirement in either division in 2022.

The Junior Varsity division will be a packet plus division, meaning:

- All affirmatives must be submitted by **Feb 21st**
- Negative positions will be informed by the NDCA packet and will be posted by **Feb 28th**
- There will be a two-week window after negative positions are posted where leagues may slightly augment negative positions to ensure link quality and argument responsiveness
- All alternative, counterplan and other related texts will be final as of **March 15th**

Affirmative disclosure may be submitted any time before the end of the day on **Feb 21st**.
Entry Deadlines
- NAUDL will enter teams into the tournaments based on student information forms
- All coaches listed on the entry forms will be entered into the judging pool
- All teams, coaches and administrators must finalize their registration on Tabroom.com no later than 5:00 pm Central Time on March 18th, 2022.
- If changes or updates need to be made after entry forms are complete please email Luke Hill (lukehill@urbandebate.org)

Topic and Format
- Students will debate the national high school policy debate topic for 2021-22
- Resolved: The United States federal government should substantially increase its protection of water resources in the United States.
- Tournament rounds will follow the 8-3-5 cross-examination debate format with 8 minutes of preparation time allocated to each team during the debate.

Preliminary Rounds
- Each team will compete in 6 preliminary debates, after which the top 16 teams* will participate in elimination rounds. (See the note about division sizes and the number of elimination rounds below).
- Teams from the same league will not debate against one another in the preliminary debates.
- Preliminary debates will be assigned one qualified judge.
- Round Pairing Procedure:
  - Rounds 1-2 will be randomly pre-set respecting league blocks.
  - Round 3 will be power matched high-low off the results of Round 1-2.
  - Round 4 will be power matched high-high off the results of Round 1-3.
  - Round 5 and 6 will be paired high-low based on the results of all previous debates at the time of pairing.

Elimination Rounds
- A minimum of three judges will adjudicate each elimination round.
- All divisions of 32 entries or more will break to Octo-Finals. The top sixteen seeds in each division will advance to an Octo-Final Elimination Round. If a division does not reach 32 entries at the beginning of Round 1, the elimination bracket will be all teams with winning records or a quarterfinal break, whichever is larger.
- Seeding will be based upon:
  - (1) wins
  - (2) high-low adjusted team points
  - (3) total team points
  - (4) opponents' wins
  - (5) drop double high-low adjusted team points
- Teams meeting in Elimination Rounds who already debated in the preliminary rounds will switch sides for the Elimination Round; otherwise Elimination Round sides will be determined by a coin flip.
- Elimination round brackets will not be broken for teams from the same school or league.
- Teams from the same league may debate each other in the Elimination Rounds. The national tournament is intended to be an education activity to all who participate. For this reason, if two teams from the same league are assigned to debate against each other in an elimination round, they will be required to debate. Coaches and league staff will not choose the team which advances to the next round. If two teams from the same school meet in Elimination Rounds the coach may determine who advances.
**Awards**

The top 20 individual speakers will receive awards based on speaker points. The tie breaking procedure is:

(1) high-low adjusted points  
(2) total points  
(3) ranks  
(4) judge variance (average z-scores)

Awards will be presented to all teams who qualify for the elimination rounds.

Each student qualifier will be presented with a participation certificate.
Judging

Providing Judges
Judges must be active in an urban debate league judging or serving as tabulation staff for more than one tournament during the current academic year.

- Each team entered in the event requires a judge available for all preliminary rounds.
- Each entry will obligate their judge for 3 preliminary rounds.
- All coaches present must be in the judging pool.
- All judges will be committed for one round after your team is eliminated.
- For teams that do not clear to elimination debates, judges are obligated through the first elimination debate on Sunday morning.
- Donated rounds by league staff are appreciated and should be noted on the League Registration form.
- Rounds are not available for hire.
- Judges will not adjudicate teams from leagues with which they are affiliated; please alert Luke Hill of all entries outside of your league that a judge should be precluded from hearing.
- All judges must complete a background check:
  - School district employees can provide proof of employment or background checks
  - NAUDL has partnered with Sterling Volunteers to offer an online background check service at a reduced price
  - NAUDL reserves the right to remove any attendee from the tournament or judging pool who are a risk to competitors or violate the Youth Protection Policy.

Coaching Responsibilities
All coaches attending the tournament will be entered in the judging pool unless exempted by the Tournament Director. Exemption requests must be approved prior to March 11th.

If a coach is assigned to judge a round and does not appear to judge that round, his or her team(s) will forfeit that round.

Judge Philosophy
- Judges must have a judge philosophy posted to Tabroom.com by Friday April 1st.
- A judge philosophy may include a judge’s thoughts on debate style, presentation speed, familiarity with the topic and debate argument preference.
- Students should adapt to the available judging pool.
- A team represented by a judge without a publicly available judge philosophy will forfeit each round until a philosophy is made public. A sample judge philosophy can be found here.
Completing the Ballot

- Each judge is required to declare one, and only one, winner and one, and only one, loser in each debate assigned by the tabroom.
- Compliance with this rule requires each judge to complete an official judge ballot provided by the tabroom.
- Completion of the ballot requires the judge to clearly designate “affirmative” or “negative” to signify a winning team.
- Judges will also be required to confirm their choice by indicating the designated winner’s school affiliation. The side “affirmative” or “negative” and school affiliation must match the assignments made by the tab room.

Speaker Points

Judges are required to assign speaker points and speaker ranks to each participant in the debate. Speaker points are accepted in increments of 0.1 from a minimum of “0” to a maximum of “30”. Tied speaker points will not be accepted. Speaker ranks are accepted in whole numbers only from “1” to “4”.

Judges must submit a ballot that meets these requirements no longer than two hours after the scheduled starting time for each round.

Revealing Decisions

- Judges may reveal decisions after a ballot has been submitted to the tab room.
- Judges are expected to give substantive oral critiques of about 5-10 minutes in length.
- Judges are expected to fill out written ballots that will be shared with the students after the tournament.
- Decisions of all elimination round debates will be announced by the chair of each panel when all ballots have been collected.
Code of Conduct

2022 Urban Debate National Championship

The Urban Debate National Championship, hosted by the National Association for Urban Debate Leagues showcases the best urban debaters from across the country. At the virtual tournament, we celebrate the continued growth of urban debate and seek to display wide array of both geographical and argument diversity. In recognition of this, the Code of Conduct seeks to provide a useful baseline of expectations for all participants to ensure a rewarding experience for all. The following Code is applicable throughout the tournament weekend, in all venues, including online and on social media.

Violations of the Code of Conduct should be reported to the Tournament Director. The Tournament Director and an advisory committee of League Directors will decide the appropriate action including, but not limited to forfeiture of rounds or removal from the tournament. Debaters, educators, schools, and leagues recognize debate as a powerful, educational activity built upon the ideals of respect, community, and civil discourse. All actions and decisions during a tournament seek to promote these ideals, and ensure a positive learning environment for all participants, judges, and observers.

DEBATERS REPRESENT THEIR SCHOOL. All relevant rules and regulations of their local school district will apply during their time at the tournament location and related events.

DEBATERS SHOULD BE GOOD COMPETITORS. It is the duty of each debater to participate honestly and fairly. Debaters should respect all competitors, coaches, judges and audience members.

BULLYING AND BEHAVIORS WHICH BELITTLE, DEGRADE, DEMEAN, OR OTHERWISE DEHUMANIZE OTHERS ARE NOT PERMITTED. These actions are not in the best interest of the activity because they interfere with the goals of education and personal growth.

DEBATERS SHOULD RESPECT THE EDUCATIONAL ROLE THAT JUDGES PROVIDE THE ACTIVITY. Debaters who engage in a dialogue with a judge after a round should maintain a respectful demeanor. Discussions should focus on understanding the decision of the judge and improving the debater's performances in future rounds. Remember the post round is an opportunity to learn, not deliver your final rebuttal.

DEBATERS SHOULD NOT PLAGIARIZE. Claiming another's written or spoken words as one's own is plagiarism, a very serious offense against responsible scholarship. Evidence used in a debate should be properly attributed to the author verbally during the debate. Debaters should be able to provide, within a reasonable time, complete documentation of all evidence presented. Documentation includes: name of author(s), source of publication, full date, page numbers and author(s) credentials when available in the original when challenged. Evidence that is not attributed adequately should be disregarded by judges.

DEBATERS VALUE COMMUNICATION AND SHOULD PRESENT ARGUMENTS AT A RATE THAT CAN BE UNDERSTOOD BY THEIR ASSIGNED JUDGE. Debaters should not “clip” cards. All evidence entered in the debate should be clearly marked as to what parts of the evidence were and were not presented during the round for review by opponent and judge.
Youth Protection Policy

Introduction
The National Association for Urban Debate Leagues (NAUDL) and its local league affiliates are vigilant about creating the most secure environment possible for our young debaters. To maintain such an environment, it has developed the following procedures.

Required Reporting
There are two types of scenarios requiring reporting:

1. When you witness child abuse or neglect, or suspect a child has been abused or neglected (see "Mandatory Report of Child Abuse" below).
2. When you witness a violation of the urban debate leagues' Youth Protection Policy (see "Reporting Violations of Urban Debate Youth Protection Policies" below).

Mandatory Reporting of Child Abuse
All persons involved in urban debate shall report to local authorities any good-faith suspicion or belief that a child is, or has been, physically or sexually abused; physically or emotionally neglected; exposed to any form of violence or threat; or exposed to any form of sexual exploitation, including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. You may not abdicate this reporting responsibility to any other person.

Steps to Reporting Child Abuse
1. Ensure the child is in a safe environment.
2. In cases of child abuse or medical emergencies, call 911 immediately.
3. In addition, if the suspected abuse is in the urban debater’s home or family, you are required to contact the local child abuse hotline.
4. Notify the urban debate leagues’ Executive Director or their designee.

Reporting Violations of the Youth Protection Policy
If you think any of the urban debate Youth Protection Policies have been violated, including those described within Urban Debate’s Barriers to Abuse, you must notify your local league’s Executive Director or their designee so appropriate action can be taken for the safety of our debaters.

Urban Debate's Barriers to Abuse
National Association for Urban Debate Leagues has adopted the following policies for the safety and well-being of the members of it's community. While these policies are primarily for the protection of youth members, they also serve to protect adult participants.

Minimum two-deep leadership on all outings required. Two registered adult coaches, or one registered coach and a parent of a participating debater or other adult, one of whom must be 21 years of age or older, are required for all trips and tournaments. Appropriate adult leadership must be present for all overnight debate activities. Coed overnight activities, even those including parent and child, require male and female adult leaders, both of whom must be 21 years of age or older, and one of whom must be a staff member of the urban debate league.

One-on-one contact between adults and youth members is prohibited. In any situation requiring a personal meeting, such as a debater/coach conference, the meeting is to be conducted in view of other adults and youths.

Separate accommodations for adults and debaters is required. When traveling, no youth is permitted to sleep in the hotel room of an adult other than his or her own parent or guardian.
Privacy of youth respected. Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers, and intrude only to the extent that health and safety require. Adults must protect their own privacy in similar situations.

Inappropriate use of cameras, imaging, or digital devices is prohibited. While most debaters and coaches use cameras and other imaging devices responsibly, it has become very easy to invade the privacy of individuals. It is inappropriate to use any device capable of recording or transmitting visual images in restrooms or other areas where privacy is expected by participants.

No secret organizations. Urban debate leagues do not recognize any secret organizations as part of its program. All aspects of the urban debate program are open to observation by parents and leaders.

No hazing. Physical hazing and initiations are prohibited and may not be included as part of any debate activity.

No bullying. Verbal, physical, and cyber bullying are prohibited in urban debate.

Youth leadership monitored by adult leaders. Adult leaders must monitor and guide the leadership techniques used by youth leaders and ensure that urban debate policies are followed.

Discipline must be constructive. Discipline used in urban debate should be constructive and reflect urban debate's values. Corporal punishment is never permitted.

Members are responsible to act according to the law. All members of the urban debate league are expected to conduct themselves in accordance with the principles set forth in the federal, state, and local laws. Physical violence, theft, verbal insults, drugs, and alcohol have no place in the urban debate program and may result in the revocation of a debater's membership.

Leagues are responsible to enforce Youth Protection Policies. League leaders are responsible for monitoring the behavior of youth members and interceding when necessary. The parents of youth members who misbehave should be informed and asked for assistance.

Mandatory reporting of child abuse. All involved in urban debate are personally responsible to immediately report to law enforcement any belief or good faith suspicion that any child is or has been abused or exploited or endangered in any way. No person may abdicate this reporting responsibility to any other person.

Social media guidelines. The policy of two-deep leadership extends into cyberspace. Another adult leader should be copied on any electronic communication between adult and youth member.

Violations of any of these Youth Protection Policies must immediately be reported to the Executive Director of NAUDL or their designee.
