

## Round 1: Domestic

1. Should the political parties re-order their primary election calendars?
2. How effective was the pandemic stimulus plan?
3. To what degree is President Biden responsible for rising inflation?
4. What is the Democrats' best path to a congressional majority in 2022?
5. What is the Republicans' best path to a congressional majority in 2022?
6. Should the Senate confirm Ketanji Brown Jackson as a Supreme Court justice?
7. Who is the Republicans' best bet for president in 2024?
8. Who is the Democrats' best bet for president in 2024?
9. Will Trump's endorsement be the most important influence on Republican primary voters in 2022?
10. Should the Senate filibuster be changed?
11. What, if anything, should be in a federal voting rights reform law?

## Round 2: Foreign

1. As Covid cases drop around the world, why is Hong Kong in such crisis?
2. Should the US allow Poland to provide fighter planes to Ukraine?
3. Is there an "off-ramp" for Putin short of total conquest of Ukraine?
4. How permanent are the consequences of economic responses to the Ukraine invasion going to be for Russia?
5. What will the election of Yoon Suk-yeol as South Korea's new president mean for that nation?
6. How concerned should Americans be about North Korea's latest missile tests?
7. How likely is it that Taiwan will become "China's Ukraine"?
8. How likely is it that Putin will expand his operations into Ukraine's neighbors?
9. Why are Israel and Turkey pursuing a renewed relationship now?
10. Why is Putin turning toward the use of mercenaries in Ukraine?
11. What is the most important international story being lost with the intense focus on Ukraine?
