BUS DROP-OFF AND LOADING AND PARKING –

There is a circular drive right next to the Student Center that is the best place for a bus to pull in and pull out easily with traffic flow. The circle is on the Avenue of Champions next to the Student Center. There is another one farther down Avenue of Champions near Singletary Center (with the Wildcat statue) you may have used before and you can also use. Hint: the Wildcat statue is a great place to take team pictures to post on social media and send back home as you arrive and are ready for the tournament! If your bus wishes to stay on campus while you are at UK, after drop-off, it should park at the Purple Lot across Alumni Drive from Kroger Field.
