A Resolution to End the Use of Semi-Automatic Weapons

BE IT ENACTED BY THIS CONGRESS HERE ASSEMBLED:

Section I: The United States shall completely ban the sale of Semi-Automatic Weaponry.

Section II: Semi-Automatic Weaponry shall be defined as “any firearm designed to fire one bullet with one trigger squeeze, then automatically reload the chamber with a cartridge from a magazine and be ready to fire again.”

Section III: This legislation shall be enacted by The Bureau of Alcohol, Tobacco, Firearms and Explosives.

Section IV: All laws conflicting with this bill will be considered null, with the exception of the Second Amendment. Congress members in support of this bill will provide their opinion on the changes that need to be made to it.

A Resolution to Decrease the Military Budget to Better Fund Education

BE IT ENACTED BY THIS CONGRESS HERE ASSEMBLED:

Section I: The Federal Government will decrease the Military’s percentage of the U.S. budget and put it towards the Education System.

Section II: Defense spending accounts 11 percent of all federal spending and 55 percent of discretionary spending. Education however is only given approximately 5 percent of the budget annually.

Section III: If passed, this bill will be enacted beginning January 1st, 2023 due to the lack of funding in the federal education system and over funding of military spending.

A Resolution to Eliminate Term Limits in Government

BE IT ENACTED BY THIS CONGRESS HERE ASSEMBLED:

Section I: Hereby this bill eliminates term limits in the United States Federal Government.

Section II: This shall apply to all positions with the exception of the President of the United States. The Elimination of Term Limits means all government officials elected will continue their term until retirement, removal from office, or death.

Section III: This Congress here assembled shall Eliminate terms due to the idea that it makes the government run less efficiently.
