

Dear Forensics Moderators,

Roman Catholic High School would like to announce our first ever **Purple and Gold Invitational** Grade School Forensics Tournament on April 9th, 2022.

Our tournament will consist of nine events: **Interpretation of Prose, Interpretation of Poetry, Duo Interpretation, Dramatic Interpretation, Declamation, Original Oratory, Impromptu Speaking, Extemporaneous Speaking and Student Congress.**

There will be an entry fee of \$15 an entrant (**Duos** are considered one entrant). This will go toward our competition and awards.

Trophies will be awarded to First, Second and Third place. The other finalists will be recognized with certificates. There will also be Sweepstakes Trophies for the schools who exceed in the competition overall.

Each team is required **one judge** for every **four students**. We welcome parents and coaches to judge, but ask that they are familiar with the events. We will have representatives from Roman's Mock Trial Team assisting with judging as well.

Everything will be run through Tab Room. In order to register your team, make sure you have a Tab Room account activated. From there you can access the different Circuits of Forensics Competition.
