

Manhattan High School Forensics Tournament 2022

Dear Coaches

The Manhattan High School Forensics team would like to invite your squad to compete at our tournament on Friday, March 11th and Saturday, March 12th. Student Congress and LD will be held on Friday. We will offer the following events on Saturday: DX, IX, DI, DUO, HI, Impromptu, Info 10, Oratory, Poetry, Prose, and POI. Initial registration and live updates will be available on Tabroom (<http://manhattan4n6.tabroom.com>).

Entries: Students may enter **three** events. With the following stipulations: Do NOT enter the same student in two draw events (unless one is impromptu), and they may not hold up the tournament waiting to perform any of their events.

We will medal the top six in each event, along with giving a gavel to the outstanding P.O. in each chamber. The top three schools in sweepstake points will receive trophies. Sweeps will be based on the top two entries from each event on Saturday. Your entry fees are \$5.00 per entry.

- + The LD topic that will be debated is the March/April NSDA topic:
Resolved: In a democracy, a free press ought to prioritize objectivity over advocacy.

Performance Order Expectations: Any student who does not perform within the time limits of the round as posted will not be allowed to perform or will receive the last rank in the round. This is at the discretion of the tournament director.

Rounds / Rooms will be CLOSED for additional performances at 9:45 am, 11:30 am, and 1:15 pm.

- + Extemp Contestants: All extempers will be expected to perform in the order as posted. They should then arrange to participate in additional event(s) either before their scheduled “draw” time, or after their scheduled speaking time. **Extempers that are triple entered are NOT guaranteed that they will be able to perform in all 3 of their events. Extempers enter 3 events at their own risk.**

Thank You! We would like to thank you in advance for attending and allowing Manhattan students the opportunity to host and your students the opportunity to participate!
