

Extemp Draws Mar. 8-11

1. Does the U.S. need to use new metrics to inform policymakers decisions on COVID-19?
2. Should Finland join NATO?
3. If confirmed, how would Justice Ketanji Brown Jackson affect the dynamics of the Supreme Court?
4. Does Russia's invasion of Ukraine illustrate the need for procedural reforms at the UN Security Council?
5. Is self-censorship a growing problem in American higher education?
6. Are the Baltics next?
7. Why does the U.S. have so many vaccinated-yet-unboosted individuals?
8. How should Europe address its dependence on Russian natural gas?
9. What can businesses in the hospitality industry do to address labor shortages?
