Congressional Debate
Legislation

A Bill to Abolish the U.S. Drone Program

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** 1 Year from the passage of this legislation, there will be a complete end to
3 the U.S. Drone Program and the usage of Drones as a military offensive in foreign
4 countries.

5 **SECTION 2.** The U.S. Drone Program is defined as: the program with a demonstrated
6 and an enabled willingness to use lethal force in counterterrorism
7 operations through the usage of military grade drones.

8 **SECTION 3.** U.S Code § 357, 132 Stat. 3305 be revised to say: It is the policy of the
9 United States that the operation of any unmanned aircraft or unmanned aircraft system
10 shall be carried out in a manner that respects and protects personal and foreign privacy
11 consistent with the United States Constitution and Federal, State, and local law."

12 **SECTION 4.** \$10 Billion in Department of Defense Funding shall be reallocated from
13 the current Drone Program annual spending to a research project to innovate and
14 discover new military offensive methods to replace the abrogated U.S. Drone Program.

15 **SECTION 5.** The implementation of this legislation will be overseen by the Department
16 of Defense, State Department, and the U.S. Ambassador to the United Nations.

17 **SECTION 6.** This legislation will take effect immediately. All laws in conflict with this
18 legislation are hereby declared null and void.

The Healthcare Reform Act of 2022

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The United States shall hereby reform its healthcare system in the following ways to expand healthcare access:

A. A public option healthcare system shall be established to increase healthcare coverage.

B. \$1 billion dollars shall hereby be provided to rural areas to invest in hospital and medical infrastructure.

SECTION 2. “Public option” or public option insurance program shall be defined as a government-run healthcare plan that would compete against private insurers in individual market exchanges. “Hospital and medical infrastructure” will be defined as any resource that is necessary to the operation of a hospital, such as medical personnel, medicines, buildings, vehicles, and any other measure that is designed to bolster healthcare accessibility.

SECTION 3. The United States Department of Health and Human Services shall be tasked with the enforcement of this legislation.

A. A premium of \$200 per month shall be established for the public option.

SECTION 4. This legislation shall take effect in FY 2024.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.
