MARTIN LUTHER KING JR. INVITATIONAL JAMES LOGAN SPEECH & DEBATE

Coaches & Competitors,

Welcome to the 2023 Martin Luther King Jr. Invitational. We look forward to inviting competitors, coaches, and judges to the James Logan High School campus for the first time in 3 years. We take pride in being able to offer an activity that continues to honor Dr. King's legacy of empowering young voices.

We host this tournament to further support the diversity of this activity in hopes that our youth will be inspired to engage in social change in their community and the world. Our hope is to provide a brave and inclusive space for competition where competitors can bring performances and researched cases to continue to fight for social justice.

The tournament will take place from **Friday, January 13 - Sunday, January 15, 2023** at James Logan High School in Union City, California. In this invitation letter you will find important information regarding registration, logistics, and changes to our tournament.

If you have any suggestions, comments, or recommendations to help us improve the tournament, please feel free to contact us. If you have questions regarding any of the information we are always available. We are pleased you have chosen to compete at our tournament and wish you and your team the best of luck!

REGISTRATION EVENT CAPS

If needed to uphold the integrity of competition and ensure a fair break, we may implement an entry cap per school in all events to balance the overall entry.

Debate events - 7 entries

Congress - 15 entries

Any entries greater than these caps will remain on the waitlist. Further entries per school will be admitted if space allows by January 4, 2023.

Coaches can claim "TBA" slots in Tabroom. All entries will be waitlisted and cleared once names are registered. **Competitor names must be added by January 4, 2023.** Waitlisted entries beyond this date will be cleared once space becomes available. FEE WAIVERS

As a Title I public school, we understand that fundraising efforts can be difficult. As always, we want to support competitors and their programs as best we can. If applicable, complete the [MLK Financial Assistance Request](#) by **January 2, 2023**. For more information regarding fee waivers and/or financial assistance please contact Tournament Directors.

ONLINE REGISTRATION

On Friday, January 13, 2023 electronic registration will be automated for schools who do not have outstanding fees or necessary drops. For those schools with outstanding fees and/or late drops, registration will take place between 9:00-11:00 AM PST via the Tab Room. We request that schools competing in only speech events still register during this time slot.

JUDGING REQUIREMENT

There will be dedicated judge pools based on events this year. Judges will need to be registered in one of the following pools: Policy, LD/PF/Parli, Congress, or Speech. There will not be a cross-entry option between judge categories to ensure an on-time tournament, allow single-flighted debate rounds when possible, and prioritize judge mental health.

All judge names must be entered and linked in Tabroom.com to cover entries. We are planning on pre-paneling rounds and posting judge obligations the day before the tournament. Uncovered round fines will be strictly enforced this year, so please make sure that your judging commitments are fulfilled throughout the entire tournament schedule. We reserve the right to use any and all judges for ANY event offered at the tournament, in order to ensure that we stay on schedule.

MARTIN LUTHER KING JR. INVITATIONAL JAMES LOGAN SPEECH & DEBATE

We are asking that all parent and community judges complete the [free Cultural Competency Judge Training](#) offered by the NSDA to better the experience for all competitors.

As always, **we request coaches nominate Elimination judges in all events.** This can be done when entering judges in Tabroom or by contacting tournament officials. We strongly encourage coaches to judge on behalf of their programs for all Sunday elimination rounds. Inexperienced judges may not be used on Sunday at the discretion of the tournament.

Hiring judges may be extremely limited this year. We hope that all schools will be able to meet their judge burden.

Some Judging reminders:

- Please have judges create their own Tabroom account using their own email accounts. We will only accept the real names of each judge.
- Please have judges enter their CELL PHONE number on their tabroom accounts as we will use this number to send text reminders throughout the tournament.
- Please ensure that your judges can stay for their entire commitment. We do not allow judges to judge under any name but their own.
- If a judge does not get an assignment for two rounds in a row, please have them check in with the judge lounge for support.
- We especially need judges committed to the back-to-back debate outrounds starting on Saturday night to ensure that they go smoothly and the tournament stays on time.
